Doberman Pinscher Club Of America
Year In Review

DPCA.ORG

The content of each article/report is the sole expression of its author and/or contributor and not necessarily that of the Doberman Pinscher Club of America, its Officers, Board of Directors or membership.

Year In Review ~ The DPCA's Award-Winning Magazine. It is an official publication of the Doberman Pinscher Club of America, Inc.

We have done our best to be accurate and not make any mistakes. We can only publish the win photos that are received. High-res images are requested for this publication, we will use low-res images if that is all we receive, but please note those images do not print as well. Any errors or omissions are unintentional and if a correction is to be made, it will be in the next issue of All Ears.

Please read pages 98 & 99 for all Year In Review submission guidelines. The new deadline is December 5, 2023.

President's Message

When I scrolled through the proof copy of the 2022 Year In Review, the word that came to mind was “AMAZING”! Amazing members and their amazing Dobermans. Amazing members who make this club a success through volunteering their time and talents supporting the mission of the DPCA as well as all the time spent showcasing the versatility of our wonderful Doberman Pinschers!

BREED VERSATILITY

You pulled out the stops in 2022! Geri Richman & Martha Reichold mailed out over 2000 Achievement Certificates for titles earned by Dobermans in 2022. Scent Work led the pack with 607 titles earned by Dobermans this year. We even had a Doberman earn a MACH 13! The breakdown by titles earned begins on page 90.

The Board approved the addition of a Versatility Award in 2022. Thank you, Tammy Kaplan, for submitting the idea. Thank you to the dedicated team of volunteers who made the award a reality: Linda Vinson, Sue Beckage, Shannon Jones, Dee Robison and Judi Furlong. A total of 139 Dobermans were recognized for their versatility in 2022. Thirty one of those achieved the Master Versatility level, at least 15 titles in 7 different companion/performance events. Linda Vinson created a special display to showcase the 2022 Versatility awardees at the National. Congratulations to the owners and Dobermans earning this prestigious award that captures so completely what we love about the breed... the ability to do anything we ask of them!

And our Dobermans continue to excel in working dog sport as 26 Dobermans titled in IGP during the year.

Eighteen Working Aptitude Evaluations were held in 2022, with 157 Dobermans passing the evaluation. Thirty seven Dobermans earned a ROM this year. The Register of Merit is the pinnacle of awards given to Dobermans. Photos of the ROM awardees start on page 122. A special thanks to Karen Mundy for creating a slide show of all the ROM awardees for use at the Awards Presentation on Friday night and for creating the ROM photo display booth at the National! Thank you to the WAE evaluators, Eve Auch, Pat Murphy Cornelius, Mike Parker, Eric Peterson, and John Schoeneman, the WAE Secretary, Melanie Lutten, and the ROM Secretary, Anne Lincoln, for all your hard work in making this program a success.

PRESERVING THE BREED

The Crop Grant program has 21 graduates now! The program is wildly successful because of the talented group of members that manage the program: Rebecca Roter, Kay Backues DVM, Kaye Kruger, DVM, Gwen Myers DVM, Anne Thorne, Janet Stavrides, Amanda Figueroa, Dayna Hewitt and Tammy Rabold. Thank you to Kay Backues who has gone above and beyond serving as the Club's ambassador for the crop grant program. Kay has delivered presentations to the AKC Crop-Dock Delegate's committee, gave a presentation on cropping at the NAIA conference and has given a presentation to the veterinary students in the Breeder elective at Cornell's Veterinary College. Thank you, Kay!

PUBLIC EDUCATION

As owners and breeders of a working breed, public education is of paramount importance. Many of you were involved in activities in support of this critical mission.

The DPCA participated in all 3 of the AKC Meet the Breed Tour stops. Thank you to the Chapter Clubs (DPC of Florida, DPCA of Dallas and DPC of Columbus) that hosted a Meet the Breed Booth at the AKC events in 2022, thus ensuring that the public had a chance to learn about well-bred and well-behaved Dobermans.

The Legislative Affairs Committee held its second annual Legislative Round Table in Topeka. Local and Federal legislators are invited to meet with the DPCA and learn more about Dobermans and the economic value we bring to the community. The committee has developed a “Why We Matter” handout that the AKC has shared with other parent clubs as a best practice. Thank you, Lita Brannan and committee, for your efforts in ensuring the DPCA has taken an active approach to Government Relations.

The Second Annual Volunteer of the Year was presented to Tammy Kaplan in recognition of the many years she has spent managing the DPCA's Public Facebook page. She is on the job every day, looking for new material to post to highlight the best the Doberman has to offer. And as you read through the 2022 Year In Review, there is a lot of material to choose from!

MEMBER COMMUNICATION

When I joined the Board in 2017, we used DPCA Reps and a thrice a year Pipeline to communicate with members. Today, thanks to the volunteers who have stepped up to help us communicate with the membership, we have added:

- A monthly newsletter, All Ears, thoughtfully edited by Amy Bryant and Tammy Vinson Schott
- A monthly Member Outreach newsletter about the DPCA Board Meetings managed by Tammy Rabold
- A Facebook Group, DPCA Official Communications, for members to communicate with the Board about DPCA business and events
- A quarterly newsletter from the Rescue Committee on how your generous donations are spent. Thank you, Pam Gray.
- The award-winning Year in Review annual publication, edited by Susan Hurrell with assistance from Darlene Young as member liaison. Five years ago, this was just an idea. With Susan and Darlene's hard work, and the photos and reports submitted by members, committee chairs and Chapter Clubs, it is an annual celebration of the Doberman.

My sincere thanks to the members and their Dobermans that have made 2022 an AMAZING year! You and your Dobermans demonstrate day in and day out that the Doberman can do it all and is hands down the best breed ever. Supporting all of you makes my job so very rewarding!

2nd VP Elaine Hopper called the meeting to order.

1st Item of business was to have each attendee introduce themselves and what club they represented.

2nd Item - Elaine discussed taxes and the responsibilities of each Chapter Club. Last year we began adding a section to the club renewals requesting IRS form 990 information. Elaine explained the IRS tax documents must be sent in each year and kept up to date. Chapter Clubs fall under the DPCA blanket exemption therefore the expectation is that all tax matters be up to date, or it could affect the DPCA as a whole. Any club not in compliance will be removed from the DPCA blanket exemption which gives clubs some tax advantages such as tax-deductible donations. Once removed the clubs will be subject to IRS tax liability.

In addition to the IRS tax forms, clubs must also follow all rules for not-for-profit entities, this includes following your club bylaws to the letter and making donations only to other registered not-for-profit organizations. Contributing to such things as a Go-Fund-Me to assist someone may be a nice thing to do, however *it is forbidden to have any single person get monetary gain from a not-for-profit organization under charitable laws*. Please, ask a tax expert, refer to your state not-for-profit laws or contact the DPCA 2nd VP for assistance before you put your club at tax risk. Again, any clubs not in compliance will have to be removed from the blanket exemption as the IRS has begun watch charitable organizations very carefully.

3rd Item – This next year Elaine will be following up with clubs to make sure their C&B's are up to date and being followed. Many clubs went to online or “Zoom” type meetings during the Covid lockdown. This was a way to keep the clubs functioning. A grace period was given by the AKC and DPCA regarding this issue due to the government Covid rules. Now that all restrictions have been lifted, all clubs must go back to in person meetings *unless your bylaws specifically state you may do business in another manner*. Elaine suggested all clubs look closely at including some form of online type meeting for at least a portion of the yearly required club gatherings. This has been a great way to increase participation. Elaine also suggested if clubs do change and allow online meetings, that they still have at least 2 in person gatherings a year which should include annual elections. Elaine is available to help with Bylaw updates, suggested wording and examples to follow.

Item 4 – Elaine advised, with regard to the requirement of holding a Working Aptitude Evaluation once every three years, clubs were given a grace period due to Covid restrictions but now that grace period has ended. Please make sure your club gets an event scheduled if you are behind on the requirement.

Elaine took some questions from the floor regarding taxes and bylaws.

With no further business, the meeting was adjourned.

Respectfully Submitted,

Elaine Hopper, DPCA 2nd Vice President

Atlanta Doberman Pinscher Club

A Year of Transition

The Atlanta Doberman Pinscher Club experienced several major changes in 2022. The first, and saddest, was the passing of our long-time club president, Dawn Benton, in March. Dawn was a life-long supporter of animals, a leader in several dog breed clubs and most of all, a warm and compassionate friend. She was a member of the ADPC for 17 years, serving as our president for 10. We miss her, and we dedicated our 2022 Specialty Shows to her memory.

Our Specialty Shows represented another important change for our club. The ADPC joined the Crossroads of Georgia Cluster (the Macon Kennel Club and Southeast Alabama Kennel Club) last year and held our inaugural concurrent Specialty Shows as part of this event on May 13 and May 15, 2022, in Perry, Georgia. We had a strong showing, with more than 40 entries, and introduced our Best of Breed Challenge Trophy, donated by Joshua Ransom in memory of the late Jeanne Ratliff, which was won by BISS GChB Aludra's Fairy Queen v Desta.

We also held a highly successful WAE on May 14 in conjunction with the Crossroads Cluster. Evaluator John Schoeneman assessed a total of 18 dogs, with 10 passing.

2022 marked our return to in-person meetings, after meeting via Zoom throughout 2020 and 2021. Our October, Halloween-themed meeting allowed members to enjoy being together face-to-face again. Our annual club holiday party was another joyous occasion, graciously co-hosted by Vicki Sweeny and Edie Thomas at Vicki's lovely home. Members and their guests enjoyed a delicious Mexican buffet, our traditional Santa Grab Bag, games, prizes and the chance to reflect on an eventful year. We will resume a hybrid schedule of online and in-person meetings in 2023.

Looking ahead, we anticipate growing our membership, as we ended 2022 with several new members and others in the membership process. We will again hold concurrent specialties with the Crossroads of Georgia Cluster, and we are looking for an opportunity to conduct a WAE. We are already developing the educational agenda for the year and are considering an outdoor summer member get-together.

Our members are active and work hard throughout the year to promote our breed. Special thanks go to our officers, board members and committee chairs, in particular our Show, Trophy and WAE chairs, as well as our members who volunteered and helped make our major events a success. Our officers are: President, Pamela DeHetre; Vice President, Melvin "Sully" Sullivan, Sr.; Treasurer, Doris Spivey; Recording Secretary, Ann Wilson; Corresponding Secretary and DPCA Delegate, Rebecca Roter; and DPCA Alternate, Vicki Sweeny. Our board members are Amanda Figueroa, Rodney Hoyt, Emily Landrum, Jennifer Stancil, Vicki Sweeny, Edie Thomas, and Doris-Jean Molin (Honorary). We look forward to 2023!

Doberman Pinscher Club of Charlotte

Highlights for 2022

- Club meetings were offered in person and over zoom and were made fun with regular breed specific trivia games and activities with prizes for the winners.
- In March, members and several guests gathered with their Dobermans for the 2nd annual group walk, this time at Francis Beatty park in Matthews, NC. The weather was great, and it was a positive outing for the club. The well-behaved dogs made a positive impression for the breed on all of the passers by.
- In September and October, the club was loaned the DPCA holter monitor and many members checked their dogs as part of their annual heart health screening. The club followed up with an OFA Echo clinic done through CARE Charlotte in November, with about a dozen dogs being checked.
- Donations were made to "Take the Lead" in Honor of Gwen DeMilta and to Volunteer State Doberman Rescue.

Specialty Shows

DPCCC hosted its 58th and 59th specialty shows in Concord June 4th and 5th along with the Victory Lane Classic cluster. While the entry was smaller than it has been in the past, it still had majors in class dogs and there were a good number of best of breed entries. The handmade trophies and colorful rosettes were admired by all, especially those who got to take them home.

We were honored to have Ms. Lana Ferguson and Nancy G Johnson judge and would like to congratulate all of the winners again. Best in Specialty at both shows was GCHB CH Sharjet's Clark Gable CD CGC owned by G Hanna/M Feller/S Marinelli.

Doberman Pinscher Club of Dallas Established in 1957

Doberman Pinscher Club of Dallas 2022 Year in Review

The success of DPCD is a true reflection of our wonderful membership, now at 87. It's an honor to be a part of such a diversified club of so many overachievers who participate and support each other in a number of dog sports and activities. We also support community outreach events such as Meet the Breed, Oktoberfest and cardio clinics.

DPCD at the National

DPCD members attended the National both to participate and to volunteer. Jan Stephenson served as DPCA National Convention Chair and Carol Hunnicutt as DPCA Vendor Coordinator. They did an incredible job with their teams of volunteers, with several being from our club. DPCD was represented in all of the Top 20 Finalists Standings: Conformation: #1-MBIS MBISS GCHG Mariah's Absence of Malice Mi Casa; Obedience: #4-CH Radiant Legend of the Heart v Goldgrove; Agility: #6- CH AGCH MACH11 Old Drum's New Year's Resolution; NOHS: #5 GCH Lookout Bold Ruler v Radiant; Juniors: #3- Ariella Harris. National Wins: Conformation: AOM-GCHS Crosswind's Every Mile A Memory; Best Veteran Sweeps & NOHS BIS- GCH Lookout Bold Ruler v Radiant; Juniors: BOB- Ariella Harris; Obedience: Novice B - 1st Cambria's Ultimate Blue Skye; Rally Master: 4th- CH AGCH MACH13 Old Drum's New Year's Resolution.

Supporting Doberman Health

DPCD held two cardio clinics in 2022. We had numerous club volunteers assist with lifting dogs, holding dogs, assisting with paperwork, and anything needed by the doctors.

Dogs came from several states other than Texas. We will continue with heart screenings to afford early detection. DPCD received numerous compliments on how well the clinics were run and the friendliness of our volunteers

March clinic: 52 Dogs- Cardiologist: Ashley B Saunders, DVM, DACVIM Associate Professor of Cardiology, Texas A&M.

August Clinic: 62 Dogs- Cardiologist: Dr. Sonya G Gordon DVM, DVSc, Diplomat ACVIM Professor of Cardiology, Texas A&M University.

DPCD Specialty

DPCD had a very successful Conformation Specialty with Judge Mrs. Victoria Seiler Cushman. "Sully", GCHP Mariah's Absence of Malice Mi Casa, was awarded BISS. Combined Specialties: Obedience - "Ranger" CH Cambria's Ranger received HIT; "River" Rally Swift Run's Melody Pond received HC/HTQ.

Dobes of Fall

A favorite among club members is our annual fall picnic. The dogs love it, too! Good food good friends, and fun games all made for a great day. We even got a jump on the holidays with Christmas photos!

AKC Meet the Breed Event

Come one, come all, and meet the Dobermans! Or at least it seemed that way at AKC's Meet the Breed event in Dallas on June 25th and 26th at Kay Bailey Hutchinson Convention Center. On both days, our booth consistently hid behind a wall of people petting and getting photos with Doberman Ambassadors, talking to volunteers, and watching little tricks or basic obedience. It helped that we always had champions and multiple title winners in the booth. They were all so good

with the public. So many babies received toe kisses, and all the children learned about "velcro" dogs. Our Doberman Ambassadors exemplified the physical and behavioral standard of the breed.

We had several returning customers, and the crowd also asked some outstanding questions. There were around 3,000 attendees. AKC's Meet the Breed event proved the saying, "It takes a village.." Club volunteers and ambassador dogs, led by Lori Stowe made the event a success.

Member Achievements

DPCD celebrates the versatility of Dobermans. Our members show their dogs in conformation and in various sports and activities. This year the club will recognize accomplishments in Conformation, Obedience, Rally, Agility, Scent Work,

Coursing Ability Test (CAT), Fast CAT, Dock Diving, Barn Hunt, Trick Dog, and Canine Good Citizen. The diversity of interests and abilities make our club a very special one.

DPCD 2022 Working Aptitude Evaluation

The DPCD family turned out in force to support our annual Working Aptitude Evaluation. With club volunteers manning the stations, Eric Petersen officiated as our evaluator. There were 21 entries with 19 earning their Working Aptitude Certificate. More important, we all learned more about our dogs and enjoyed the fellowship of Doberman lovers.

Memorial

In 2022 DPCD lost our dear member, Marsha Moller. She will be dearly missed. Her memory shall always be a blessing.

Doberman Pinscher Club of Greater Milwaukee

Our Club took advantage of the AKC's revised limits on the number of Specialty shows and added both a Concurrent and a Designated Specialty at the inaugural Renaissance Cluster in Madison, WI. The Cluster offered strong majors, surprisingly bolstered by a number of "Southern" exhibitors, brave enough to travel to the Midwest in February! Our Waukesha specialties continue to be among the largest in the country. This year, we held five specialties in three days by holding a concurrent on Saturday, and Designated specialties on both Saturday and Sunday in addition to our back-to-back specialties on Friday. With COVID restrictions lifted, we were pleased to offer a salad buffet lunch between our Friday specialties... and, the weather was perfect!

The club's performance events began in February with an agility trial in Oshkosh. In April and September, we held agility trials in New Berlin. Our first Fast Cat event was held in June in Oshkosh. In August, Obedience and Rally trials were held in Oshkosh. Performance events are labor intensive, and we are grateful that other local clubs consistently provide manpower support. Our core team could not hold these events without their help.

Doberman Pinscher Club of Greater Milwaukee

Our club contributed \$15,000 to rescue this year. Since we began holding performance events in 2011, the Club has donated a total of \$118,200 to Rescue and Special Needs. In addition, our club has joined with other local clubs to establish and fund a scholarship endowment at the University of Wisconsin Veterinary School.

Our club members and dogs have been active training, competing, and achieving titles. We have new conformation champions and grand champions. We have a Canadian Grand Champion ranked in the Top Ten in Canada. We have dog and owner teams that have achieved Top 20 status in agility and obedience. We track, do nose work and Fast Cat. And, sometimes, we just hang out and enjoy being with our best friends.

Trophy Table

On April 9 the DPC of Reno joined with the DPCs of Northern California, Redwood Empire and Sacramento to hold the annual Working Aptitude Evaluation at the ranch in Galt belonging to the club Secretary, Tammi Myers. The weather was perfect, and the event well attended. The WAE evaluator, Eve Auch, evaluated 12 dogs. All four clubs had great workers for the course and on the desk. As in the past, there was an educational seminar held with the public invited whether they owned Dobermans or not. The speaker was Reid Uhl and the topic was "How To Get Your CGC/A/U Titles."

Because the specialties in Carson City NV were scheduled to be held on the same weekend in 2022 as the DPCA National, the club had to scramble to find another site. Finally, we landed in Dixon CA on Thursday, October 27, backing up to two Working Group shows on Friday, and two all breeds on the weekend. Reno's two specialties on Thursday had four-point majors in both dogs and bitches.

Congratulations to Jamie Vogler and Summer for making it into the T20 Obedience. Summer is a rescue.

DPCTZ President, Art Olson became a Barn Hunt judge.

Betsy Scapicchio and Zen went High in Trial & High Combined at our August Obedience Trial. Judge was Linda Morris

DPCTZ held a Working Aptitude Evaluation in June. John Schoeneman was the evaluator. Fifteen dog and handler teams were evaluated. Six passed. Lunch was provided by the DPCTZ

Puget Sound Doberman Pincher Club

The club philosophy is to embrace the Doberman projects our club members are interested in. We have a robust membership of 65 committed Doberman lovers and this year we participated in numerous activities.

2022 was very busy for PSDPC.

In April we hosted our second scent work trial chaired by Sue Lynch and her committee members Janice Mitchell and Charlotte Heinecke. It was well attended and efficiently run.

In June we had our Extravaganza weekend with MHDPC. This is a specialty weekend at a hotel on a lake and is very well attended and organized. Friday, we start with a WAE chaired by Dee Robison. It fills quickly and every one chips in to make it a success. We also offered CGC and Trick title testing. Our show chair, Sean Logan was the tester. Sean, his co-chair Kim Schoning and his large committee made sure the weekend went well. Our obedience chairs, Alanna Westfall and Cara Dixon made this endeavor a success. We served a light breakfast and a lunch each day. Trophies were outstanding. And the judging panel was fabulous. In between the conformation shows we honored Elaine Young with a lifetime achievement award.

August was another opportunity for 2 more 5-point major shows. Sean and Kim and their team were hard at work. Weather was great and everyone had a good time.

We hosted two agility trials. Committee chair Mike Dellorto and his team did a great job organizing the events. At the Christmas trial we deck the halls. Members Nina Hagen and Charlene Finnely are the incredible decorators. Their backdrop is used for many holiday pictures.

Puget Sound Doberman Pincher Club

We had some very fun, fun days. In the summer we hosted our first Powder Shoot Day at Tammy Markey's estate. Dogs had colored powder splashed on them and they were photographed running and jumping. Great pictures and memories were achieved. September was our second swim fun day organized by Sue Lynch. Members got to challenge their dogs to a swim in a dock diving setting. It is amazing how our dogs love to swim. Then later that month we had the

club sponsored Bark in the Park event. The Seattle Mariners baseball team offers a day where you can bring your dog to a ball game. It was great fun, the team won and the dogs got lots of goodies. In December we sponsor another well-planned event, health day. Kim Owen, Andrea Sanford and Patty Larkin organize a one-day event with a local cardiologist who does ultrasounds and Kim's clinic offers blood tests and shots. It fills quickly and next year we will offer two of these clinics.

Unfortunately, this year we lost two very special members, Linda Hale and Elaine Young. These great ladies will be missed. We lost our Linda Hale this summer. She held almost every office in the club. She was our show chair for many years. Her organization of each activity she chaired was amazing. She had folders on how to do each job and everything that had been done. Even though she had retired from active club chairmanship she was always there to answer any questions. Just before Thanksgiving Elaine Young passed at the age of 95. She was a very wise soul. She started many clubs, was on the AKC board and knew everyone in Seattle through her ownership of a very successful Chinese restaurant in our famous China town. She was always there to give us counsel and plan our advertising and did any task the club needed. We were very lucky to have these ladies in our club.

Year In Review for 2022

The DPCNC enjoyed sponsoring 3 main events this year and continued throughout the year to conduct Board of Directors and General Meetings via Zoom given the wide-ranging geography of the membership. The main events included an educational program in March, a Working Aptitude Evaluation in April and two Independent Specialties in May.

The educational event held March 13 was a Trick Dog program presented by club member Dee Knighten. The program, followed by a picnic lunch, was held at the Sugar Loaf Open Space Park in Walnut Creek, CA. Members learned more about Trick Dog titling opportunities and enjoyed working with their Dobermans to learn a few new tricks.

The WAE, held on April 9 in Galt, CA was an event jointly sponsored by DPCNC, Redwood Empire DPC, DPC of Reno and DPC of Sacramento. Although the weather was windy and chilly, 12 dogs were entered and 3 passed the evaluation to earn their Working Aptitude Certificates.

DPCNC was fortunate to be invited by The Coyote Hills Kennel Club to join them at a new show location this year at the Stanislaus County Fairgrounds in Turlock. We conducted our morning and afternoon specialties (the 96th and 97th Independent Specialties) on Friday, May 20 followed by the Coyote Hills all breed shows on Saturday and Sunday. This new site was well received by club members and exhibitors alike. The grounds were well kept and we had a large, secluded ring with plenty of nearby shade trees all 3 days. Exhibitors had free day parking and those in motorhomes were parked on grass with full hook-ups close to the ring set-up.

The DPCNC show day began with Puppy and Veteran Sweepstakes followed by the morning specialty conformation show. Next we celebrated the longevity of 5 Dobermans, ranging in age from 8 ½ to 11 ½ years in our 2nd annual Parade of Veterans. Entry is free of charge for this event and each dog is honored by having their bio read aloud as they gait around the ring to the cheers (and tears) of the crowd, to receive their beautiful, personalized ribbon. A good old-fashioned finishing lunch was provided for all by 3 exhibitors in celebration of their new champions. The day concluded with the afternoon specialty conformation show. There was significant consistency in the judging of the 2 specialties as can be noted in the results shared below. The morning judge had accepted our assignment on short notice when one of our judges had to decline due to health issues. Unbeknownst to us our afternoon judge had been a mentor for the morning judge!

2022 Specialty Summary

The Greater Twin Cities Doberman Pinscher Club held our back-to-back specialties in conjunction with the summer solstice cluster of the Cambridge Kennel Club at the Isanti County Fair Grounds in Cambridge Minnesota. The cluster is four days of shows combined with obedience, fast cat, dock diving, barn hunt and our club also holds a WAE. The club provided our own tent and ring space for the entire weekend. In addition, we held a show grooming demonstration with Karin Fox and also had a potluck picnic for all attendees. We wish to thank all the exhibitors that made it such an enjoyable four day weekend. Doberman Pinscher Club of Indiana

The oldest DPCA Chapter Club, established in 1936, is going strong. This summer we held our Meet the Breed at the Ice Tea Cluster in Muncie, IN. A big hit is always the pictures of war dogs. So touching to see how these photos move our veterans that stop by the booth. Dog and handler teams included Jon Williams and Sefira, Suzanne SeRine and Maize and Linda McCammack and Minx. Minx connected with the little ones as she was supporting her tutu.

Sefira graciously said Hello to everyone...and so did her pig!

Minx being the fashionista!

At our summer picnic, Cheryl Stigall gave a presentation on how to introduce a dog to scent work and we got an opportunity to let the dogs sniff it out. Here is Dana Murphy and her puppy, Baron, having a blast!

We held two supported entries and two designated specialties at the 2022 Indy Winter Classic with Hoosier Kennel Club and Central Indiana Kennel Club in February. Great majors and then sadly we had a storm hit. Congratulations to Tiffany Neal and Cruz, GCH Starline N Andella's Hot Pursuit, for taking Best of Breed at both designated specialties!

Doberman Pinscher Club of Indiana

A few titles/brags that our Doberman Pinscher Club of Indiana members accomplished this year:
Jon Williams and Sefira earned their BCAT title, CGC and completed their DPCA Versatility certificate. Sefira is Smack-Dab's Dragon Fire BN BCAT SWN WAC CGC.

Linda McCammack is proud of Voodoo making a quick finish of her AKC Championship with limited showing. Voodoo is CH Vondura N Mac's VaLi Voodoo Child. Bred and co-owned by Steve & Karin Fox. (CH BellaCane Covered in Kevlar CA WAC X Vondura's Spellbound).

Jay DeHart bred and handled Drogon to his AKC Championship. Drogon is CH/Int/Nat/Hnr-S CH, U-CH, Dream-Catcher's Winter Has Come-Game On.

Patty Sample and Jezabel, Starline's Jezabel, earned the AKC Fit Dog Turkey Trot medallions for completing the 5K walk. Good girl, Jezabel for taking your human for a trot!!

The Doberman Pinscher Club of Indiana will participate in the 2023 Indy Winter Classic, February 2nd through February 5th, with Central Indiana Kennel Club and Hoosier Kennel Club. Cerf testing and a cardiac clinic and of course, we hope for MAJORS again (and no snow storm this year). With the AKC changes, we can have ALL 4 days as Designated Specialties...with the DPCA medallion up for grabs! We hope to see you there!

The Doberman Pinscher Club of the Rocky Mountain Area, Inc.

The Doberman Pinscher Club of the Rocky Mountain Area pulled together for an exciting and fun year.

In April we had a hugely successful fundraising garage sale held at Karen Miller's house.

Our annual summer picnic was held in July, also at Karen's house, a fantastic time was had by all. Along with all the delicious food and fun we also did a Holter set up demonstration.

The DPCRMA Specialty shows were held in September at Greeley show site. The indoor specialty shows were a lot of fun for exhibitors and spectators. In the first specialty show GCHB Protocol-Liberator Pagani Without Compromise went Best of Breed owned by Shani St John, handled by Karen Fox. GCHB Waterfront's Girl on the Hunt CGC TKN went Best of Breed at the 2nd specialty owned by Patricia Richard, handled by Ann Ramsbottom-White. A big thank you to judges Mr. E A Skip Thielen, Mrs. Nancy D Simmons, and sweeps judge Mrs. Jean Cave Pero and to all those who attended.

The Doberman Pinscher Club of the Rocky Mountain Area, Inc.

The DPCRMA was well represented at the DPCA Nationals in Topeka, KS. Our donations to the DPCA Health and Rescue Fundraiser included gorgeous quilt made by Lynn Morris and many other Colorado produced items donated by club members. A big congratulations to club member Nancy Christensen who was awarded the honor of judging Class Dogs at the 2022 DPCA National.

The DPCRMA along with 3 other clubs put on the Friday Chapter Club WAE at the 2022 DPCA Nationals. We had beautiful weather and incredible helpers to make it a great WAE for everyone.

Throughout the year the DPCRMA was able to donate approximately \$600 to local Doberman rescue Saving Dobermankind.

Next year we are doing an additional concurrent specialty at our September shows making it 8 shows in 5 days.

Thank you to everyone in our wonderful club and looking forward to 2023.

Metropolitan Baltimore Doberman Pinscher Club

Est. 1969

With 33 members currently, the Metropolitan Baltimore Doberman Pinscher Club enjoyed another fun packed year. We are looking forward to a happy & healthy 2023 for all.

Our 39th Annual Specialty in April was a great success, we offered All-Breed Obedience for the first time. We raffled a beautiful Vintage Doberman Stained Glass that was donated by Aaron Dwight & Roslyn Monsees. Founding club member Cindy Jennette hosted our summer picnic on her amazing property. We were even given a tour of her goat farm. It was a wonderful time. It was a cold & wet day this year in September for our Match, it almost got rained out. Our Annual Dinner was held in October at The Pointin Still in Timonium. It's always a good time, to sit and hear all the club members accomplishments with their Dobermans. Member Mary Chrusciel hosted our Christmas Party at her historical home in Whiteford, MD. We played White Elephant gift exchange, and this year did not fail to be as fun & hostile as always.

We are proud of our members and their Dobermans on this years accomplishments.

In Loving Memory of Cindy Mason

Longtime MBDPC club member and DAR&E volunteer, Cindy Mason, passed away in January 2022.

Cindy had been a club member since 1986, and she had been with DAR&E for over 20 years. Everyone who met Cindy knew that she was a great ambassador for the Breed. She was the go-to person for anything Doberman. Always ready to volunteer to help homeless Dobermans with transportations and fostering. Cindy was quiet and soft spoken and all-around good-hearted person. She will truly be missed by all that knew her. Rest in peace Cindy.

Cavalier Doberman Pincher Club

The Cavalier DPC had a great year! With events back in full swing since COVID, many members and their Dobermans finished new titles this year as many more earning wins and Qs towards other titles!

The club held several successful events including 2 Conformation Specialty Shows, several Fast Cat and Scent Work trials and two All-Breed Echocardiogram clinics! Some members also participated in IVAS (International Veterinary Acupuncture Society) teaching clinic where their Dobermans were used to help teach the next generation of acupuncturists!

We are still offering public holter rentals East of the Mississippi. The club also made donations throughout the year to several Doberman rescues and also to The Doberman Health Foundation and The Doberman Diversity Project. We are looking forward to another successful year in 2023!!!

Doberman Pincher Club of Detroit Inc.

As COVID restraints started being lifted by the State of Michigan at the beginning of 2022, the Doberman Pinscher Club of Detroit (DPCD), conducted two independent specialties and a WAE as follows:

Conformation

With the combined All Breed Shows of Pontiac Kennel Club and Progressive Dog Club of Wayne County held the weekend of April 28th-May 1st, we held our first Specialty on Friday, April 29th, with Ms. Bonnie Linnell Clarke the Judge.

The second Specialty on Saturday, April 30, with Mr. Robert Hutton the Judge. We did not offer obedience as it was offered on site either by Pontiac or Progressive at their shows. By having our Specialties in conjunction with the above all breed shows, it enables Doberman exhibitors the opportunity to exhibit their Dobermans six times over the weekend which ordinarily makes majors.

Looking ahead to 2023, we will again have two Independent Specialties on Friday, April 28th, the weekend of Progressive's all breed show.

WAE

Our WAE was held on Saturday, August 27th. This was the third consecutive time we jointly conducted a WAE with the Doberman Pinscher Club of Michigan. We are extremely grateful to DPCM member, Kim Downer, and her husband for providing the use of their beautifully groomed homesite for the event.

The weather was perfect. Volunteers from both Clubs provided all the workers for setting up the course, registering participants, manning the respective stations, providing cool beverages for all in attendance, keeping the site free of debris, and doing whatever was necessary for a successful WAE experience.

The evaluator was Mike Parker who, prior to the first Doberman being evaluated, took everyone in attendance on the course to explain the purpose of the WAE, including the purpose of each station, and what was expected of Doberman and handler as they proceeded through the course.

We had 21 participants with 10 passing and 11 failing.

YEAR IN REVIEW REPORT FOR 2022

This has been yet another trying year for all of us. With a pandemic and subsequent quarantines on the downturn, the show scene has been returning to normal. Many clubs have been able to hold regular events and meetings but unfortunately there are clubs that have not been able to survive the pandemic and the loss of working members and club participation. This is a nationwide problem in Chapter Clubs as well as All Breed Clubs. It is imperative that clubs work hard to bolster membership, increase funding, and adjust to changing times. The good news is we added a new club to the Chapter Club list and a possible second is in the works.

The clubs that have disbanded are:

San Fernando Valley DPC

Potomac Valley DPC

DPC of Memphis

Aztec DPC of San Diego

Our new Chapter Club is the DPC of Central Kansas

One item that has helped many clubs to improve participation is to implement holding meetings via teleconference or Zoom type platforms. This allows a wider participation especially for those working or who otherwise have difficulty attending in-person meetings. These types of meetings worked well during COVID lock down, and many clubs have found them very well received. Now that COVID restrictions are over, **I caution all clubs that electronic meetings MUST be allowed for in your Constitution and Bylaws.** Please make sure you are not in violation and work quickly to update or amend your club documents to allow for such types of club communications and meetings. I am planning to work with Chapter Clubs in the coming year to make sure any and all necessary constitutional changes get taken care of. I have examples to use for any amendments, just let me know if your club needs assistance.

This past year I have made exceptions to allow for the inability to hold events. I moved the grace period for holding a WAE until the end of 2022. The majority of clubs are now in compliance, and I am working with those that are having logistical difficulties.

The changes that were implemented to the process for approvals of specialty shows, trials, regionals and Working Aptitude Evaluations have been running smoothly. The 2nd VP receives all requests and will provide any needed guidance on compliance and once approved, will then forward approved requests to the AKC or the WAE Secretary for scheduling. The 2nd VP will also coordinate with the National Show Committee in the scheduling of any Chapter

Club sponsored WAE at any National Regional Show. The updated application forms for specialties, trials, regionals and WAE's are available on the DPCA website at dpc.org. There you will also find instructions and a list of requirements to hold any of these events.

This last year we made some changes to the online Chapter Club renewals and payments. All clubs must include a copy of the most recent IRS 990 submission. If clubs are out of date with this filing, **they can no longer be included under the DPCA blanket exemption and will be subject to paying taxes.** I will be working with clubs on this issue, and I am hoping to find a central point of contact for help with IRS issues and getting clubs back in compliance or otherwise assisting with IRS issues. Because the DPCA 510(c)3 status relies in part on compliance with Michigan law as well as IRS rules, all Chapter Clubs must also operate under the same restrictions or be removed from the blanket exemption.

For Chapter Clubs who are planning your specialties, please remember that you need to allow processing time, at least 5 weeks, for your approvals and your medallion orders. Remember also there may be expedite charges added for short notice orders from the engraver. Forms for approval and medallion orders can be found on the DPCA website under the Chapter Club tab. Please make sure you provide all the information requested, and that includes your event number(s). If you don't have this information, contact me and I will assist you. Once I receive your order or request for a show and process it, I will send an acknowledgment. If, after five business days you have not received a reply, please contact me to verify I have received your request. Sometimes I do miss correspondence.

If you have any questions about the above information, please contact me at dpcasecondvicepresident@dpc.org. **Please do not use Facebook or text messages as there is no guarantee I will see them, can easily identify the person or respond in a timely manner.**

Respectfully,

Elaine Hopper, DPCA 2nd VP

DobeQuest Report

This has been a very exciting year for our DobeQuest Database!

The BOD has approved a yearly budget for our Committee, and we've employed Switchbox, Inc. to provide the long-awaited fixes and upgrades to the database.

We now have the capability to generate a proposed pedigree. Next on the agenda will allow Members to add an entire litter. The password function has been fixed and updates to a few

of the health sections have been completed. There is now more "space" for suffix titles on your dog's profile pages. Our next BIG update will be to put back together the Multiple Parameter Search.

Many thanks to Michelle Kramer, our BOD Liaison, for her suggestions and assistance.

Cathy Kendrick
DobeQuest Committee Chair

Archives

This year at the Archives booth I had brought in some photo albums from previous nationals along with a couple odds and ends to display but we had a beautiful donation made by the Estate of Capt M. E. "Smitty" and Billie Smith in their memory and in the memory of Ch Cabra's Dark and Debonaire "Dino." A majority of the "Dino" collection had been given to Smitty and Billie by Nina McGrath, Dino's primary owner. The items included a beautiful shadow box, artwork, a few trophies and some WWII era Kennel Gazette magazines which contained articles about the Doberman war dogs and their handlers in Guam. The shadow box was incredible; it was put together with all of Dino's BOB medallions from the DPCA including the medallion from his BOB win at the 1986 National in Denver CO (which happened to be the first national that I attended). Because of Dino's significance during the 80's I displayed the entire collection at the archives booth for a majority of the national and then it was moved to the display table for people to view prior to the auction. A little history about Dino:

Ch Cabra's Dark and Debonaire WAC
Sire: Am/Can Ch Schaufelein's Revised Edition CD
Dam: Patton's Courtesan

Breeders: Craig and Vicki Patton
Owners: Nina McGrath & Capt M. E. Smith
3/30/1980-5/11/87 (*cause of death, brain tumor-confirmed*)

Dino came from a litter of seven. Charlie Cooper found him for Nina McGrath who had asked him to find her a male to special. Her only requisite was that "he have DARK eyes." With Charlie handling, Dino received all of his points from the 9-12 class with the exception of his final win from Am Bred (there was no 12-18 class offered at all-breed shows at that time). Charlie had committed to another dog to special so he suggested Capt ME Smith, "Smitty" to Nina. Together Dino and Smitty won 13 all breed BIS's, 27 BISS's, over 200 BOB's. He produced close to 40 American champions, several Canadian champions and many obedience titled get including a UD and SCH II. He was very much loved by his breeders, his owner and of course Billie and Smitty.

A special thank you to Cheryl Green for orchestrating the logistics of getting all of the items to this year's national.

Your editors of All Ears wish to Thank everyone who contributed to All Ears, without you, All Ears would not be so successful. We have celebrated with you when you had that special win and senior birthday and cried with when you lost your beloved dog or fellow member of our Doberman family. We are always seeking stories of interest, if you think you have something you feel our readers might find interesting, please send it in. If it passes our editors, Amy and Tammy we'll publish it. As a reminder, we can use jpeg's only, no pdf's please and always try to keep in mind of our monthly deadline vs. your shows closing dates when submitting show flyers.

Looking forward to a great 2023.

DPCA Rescue

For the fiscal year ending September 30, 2022 DPCA Rescue was able to allocate \$32,758 assisting with the basic Veterinarian expenses of 168 rescue Dobermans among our member Doberman rescue groups. These allocations were under budget.

In the upcoming year, we will be able to increase the quarterly funding to the rescue groups to \$750 per quarter per rescue. Part of this will be funded by a carry over from 2022 subsidy surplus. Due to budget concerns at the beginning of the fiscal quarter 2022, we had capped veterinary reimbursements to \$550 per quarter per rescue group.

During this past year we have completed fundraising projects such as our quarterly newsletter featuring a rescue dobe/group assisted by the subsidy program and created a "limited edition" logo for merchandise to

increase sales with new logo items. <https://dPCA.org/product-category/rescue-logo/>

We would not be able to help our member groups handling these rescue Dobermans without you. We would like to thank all those who have donated, attend the Friday night Banquet, participated in our Auction(s), DPCA Rescue booth purchases at the Nationals, and those who have volunteered on the committee assisting in the quarterly processing.

Thank you on behalf of our committee,

Pamela Gray
DPCA Rescue Chair

2022 Lifetime Achievement Awards

"The Lifetime Achievement Award is presented to persons who have had a considerable influence in the breed by means of a lifetime of dedication." Quoted from the DPCA Administrative Procedures Manual.

Angus & Janice Thom and Mary-Helene (Mimi) Brown, MD are the 2022 Lifetime achievement honorees.

Lynn Eggers and I served as this year's co-chairs. The other committee members were Lisa Burroff, Leslie Hall, Faye Strauss, Holly Schorr, and Anita Ortiz.

Lifetime Achievement Awards recognize people who have devoted the greater part of their lives to our Dobermans. Whether they are breeders, conformation and performance people, officers of the DPCA or specialty clubs, or someone who impacted our dog's lives with their skills. (Col. William Putney and Shirley Hammond come to mind.)

Please submit nominations for the 2023 award by email to adrastia@aol.com. They will be forwarded to the Committee members.

The awards write-ups can be read on the DPCA website. Go to the Award /STATS/ Top 20 Tab, open it, then open the Lifetime Achievement Awards tab.

Respectfully submitted,

Mary-Helene (Mimi) Brown, MD & Lynn Eggers

ANGUS & JANICE THOM

Angus and Janice Thom have been in Doberman rescue since 1993 and founded Kansas City Doberman Rescue.

Kansas City Doberman Rescue was very active in the 1990's and early 2000's with many members and foster homes. They placed have placed hundreds of Dobermans over the years. They are still doing rescue work today.

In early 2000 they were watching a TV show about Dobermans. The Monteleons and their kennel were featured. Angie did a demo of a Rescue parade.

Angus and Janice were in San Diego at the 2000 DPCA National and met with Angie. They worked on how to do

2022 Life Time Achievement Awards (Continued)

a DPCA Parade of Rescues. In 2001 the first parade was held. It has been a highlight of the Friday night Fundraiser every year since. Along with Lori Hanahan, they conceived and implemented the Felton award for an outstanding rescue dog every year.

Angus and Janice have staffed the DPCA rescue booth for over 20 years. They have creatively raised money with a variety of raffle and games and dog memorabilia hunted down from many flea markets and antique stores.

They have mentored many rescue groups and carried on Judith Felton's legacy with their unwavering dedication to the Doberman and stewardship of DPCA Doberman Rescue. For this Angus and Janice Thom are 2022 DPCA Lifetime Achievement Honorees.

DR. MARY-HELENE (MIMI) BROWN, MD

Mimi Brown got her first Doberman, a ten week old red male, in 1984. Luckily, he was from a reputable breeder and after "Big Al," Ch. Jan-Har's Salute to Saracen, CD, ROM, won points at his first dog show, she was hooked on a great avocation that has brought her much joy.

Mimi attended her first DPCA Nationals, in 1986. "Asta" Ch. Naball's Boreal v Anozira CD, ROM won WB/BW/BOS. Asta was campaigned into the top 20 for three years and she won 3 AOM at the Nationals, including one in 1993 from the veteran's class. Mimi also specialied Asta's daughter, Ch. Anozira's Adrastia, CD,ROM and had her biggest conformation thrill when she won the veteran bitch class and an AOM at the 2001 Nationals with Mimi handling.

Mimi has bred five litters, with 10 champions to date and several obedience titled Dobermans under the Anozira name, (Arizona spelled backwards.)

Mimi has been a member of the Desert Valley Doberman Pinscher Club since 1985 and have served as President and show chair for multiple terms. She has been the DPCA delegate for the club over 20 years. She has been the DVDPC treasurer for the last 19 years. She chaired the DPCA Nationals when it was held in Chandler, AZ, in 1991.

Mimi is most proud of helping start the Friday night COPE fundraiser in 1988, (with Cathy Willett and Ann Lanier). She continued to co-chair this event in its new form, which fundraises for both health and rescue programs until 2021. In the 32 years that she was involved in Friday night fundraiser close to \$500,000.00 was raised.

Mimi served as 2nd vice-president of the DPCA for 8 years. She helped chapter clubs with their show paperwork and mentored many members. Mimi served as president of the Doberman Pinscher Club of America from 2017-2020. She has judged at the DPCA nationals 3 times, including intersex/BOB in 2016.

For her energetic, tireless work on behalf of the Doberman and her generosity and kindness to our DPCA members, Mimi Brown is a 2022 DPCA Lifetime Achievement Award Honoree.

Holter Report

We have had a total of 6 shipments of the holter monitor, for 2022 with an approximate number of dogs checked being right around 14. This number is down from the previous year.

There have been no equipment or shipping issues at all. The more streamlined bags we now use (much lighter and very padded) have been a big success and costs everybody a bit less money by weight.

Thanks.

Working Dog Report

As reported at the National we have had over 26 Dobermans title in IGP in 2022. Unfortunately, the Fall Class IGP trial that should have ran in conjunction with the DPCA national did not have enough entries this year to support a trial. Now that we have switched to Missouri for our 2023 national, the UDC has put out a request for a club/group to host a Fall Classic there. Hopefully, that will come to fruition in 2023.

Our Board made and passed a motion to support American working Dobermans that qualify and compete

at the world level in IDC (International Dobermann Club) Weltmeisterschaft (Working Dog Championship) events. There is a huge commitment of training and cost to get to that level. The Doberman must be born in the USA and will have qualified for the stipend upon return from competing. Many thanks to our Board for their continued support of our working Dobermans!

Medical Review Evaluation Committee

YEAR IN REVIEW FOR 2022

This past summer, the MREC welcomed a new member, Dr. Molly Elizabeth McCue. She is also a new DPCA member. Dr. McCue earned her DVM (Summa cum Laude), MS, and completed an Equine Internal Medicine Residency at the Kansas State University. She finished her PhD and Post-Doctoral Fellowship at the University of Minnesota. She is currently the Associate Dean for Research and Professor of Veterinary Population Medicine at the University of Minnesota. We are excited to have Molly's experience on this valuable committee.

Active Grant

Our current grant project is by Dr. Colleen Mitchell, Dr. Chad Grueter, and Dr. Terry Braun from the University of Iowa. The study involves genomic data analysis of Doberman DCM through collaborative efforts with the Doberman Diversity Project (DPP). The DPP database contains genetic information on over 3,000 Doberman Pinschers. Unfortunately, it lacks phenotypic details for nearly 99% of them. The study's primary objectives are to adapt established genome-wide association study methods for populations with low genetic diversity and high disease prevalence and detect new candidate genes for Doberman DCM. With the help of individual owners and breeders identified at the DPCA 2021 National show, the researchers have been successful in updating hundreds of dogs' profiles and increasing the depth of health information found in the DDP database. Dogs were cross-referenced to Dobequest, OFA, Doberbase, and owner/breeder websites.

All DCM study dogs were diagnosed by a veterinary cardiologist and have lived at least 9 years. As of August 1, 2022, the DDP database contained 332 dogs over the age of 9. The study utilizes two Control Groups. Control Group 1 includes dogs with normal ECG Holter results at a minimum of 7 years of age and Control 2 are dogs with no available ECG Holter by 7 years of age or ECG Holter results done at a younger age. The researchers were able to classify 217 dogs including 51 cases, 59 dogs in Control 1, and 77 dogs in Control Group 2. A potentially genome-wide significant group of markers were found on chromosome 16. The data looks promising from a physiological standpoint, but the gene identified is not usually expressed in cardiomyocytes. The next step will be to assess gene expression levels in the hearts of Dobermans with DCM using a larger data set. Results will be submitted for publication in 2023.

Grant Proposals in Process

The MREC was contacted by Ms. Debra Konkol, Chair of the Health Committee for the Weimaraner Club of America (WCA). The WCA is working with several

Weimaraner Clubs in Australia to study wobblers/cervical instability in their breed. Other breed clubs (i.e., Doberman, Great Dane, Rottweiler, Dalmatian, Mastiff, GSD, etc.) have also been invited to participate. The project will coordinate with the Morris Animal Foundation through their Donor-Inspired Study process. The target funding for all breed clubs is about \$50,000 with a \$10,000 minimum per club. The MREC has agreed to join this study and will be submitting for funding approval to the DPCA Board next year.

Call for Proposals

The MREC is now accepting new grant proposals. The call for proposals is open to investigators having a DVM and/or Ph.D. and a full-time, permanent position in a university, veterinary hospital, and/or veterinary profession organization. Please refer to the DPCA website for complete submission details. The due dates for submission are:

- Letter of Intent – April 14, 2023
- Full Proposals – May 23, 2023
- Announcement of Grant Recipient – July 31, 2023

Supporting the MREC

DPCA funding for Doberman-related health research is supported through donations. The DPCA is a 501c3 organization, and donations specified for health project research are tax-deductible. Our current available funding for health research is about \$86,000. Your continued support is critical to our breed and very much appreciated.

MREC Call for Additional Members

The MREC is recruiting additional members to assist with our committee. We currently have five members: Dr. Tracy L. Skaer, Dr. Kay Backues, Dr. Molly McCue, Dr. May Jacobson, and Dr. Gwen Myers. In addition to grant review, we are looking to enhance our website with additional information about our efforts and provide DPCA members with progress reports for active grants. If you are interested in becoming an MREC member, please get in touch with us at DPCAHealthEvaluation@dpc.org.

Educational Materials

The Doberman Pinscher Club of America continues to provide the most comprehensive materials to the fancy. The materials provided through the office of Educational Materials allow for members as well as non-members to order materials that reflect only the correct information to the fancy. We have continued to provide through the DPCA Store the several items listed on the Website and have recently reorder the "Illustrated Standards" so we are able to continue providing this much in demand booklet.

2. The age range for dogs examined: 2 to 12 years of age
3. Equivocal for developing dilated cardiomyopathy:
11 dogs, age range 3 to 9 years
4. Normal: 83 dogs, 1 to 10 years
5. Occult Dilated Cardiomyopathy (DCM): 7 dogs, age range 4 to 10 years

6. MMVD (Chronic Degenerative Valvular disease):
2 dogs, 3 to 12 years

7. Mitral Valve Dysplasia (MV): 1 dog

The most common finding leading to classification as equivocal for developing dilated cardiomyopathy was a dog having either VPC's identified during echo study or abnormal Holter study with normal echo study (i.e. arrhythmias identified but structure and function of heart normal). During Echo studies, all dogs had a single lead ECG monitoring during echo study.

Holter studies were evaluated, but not placed on dogs at this year's DPCA nationals. Therefore, comments regarding Holter findings are not included in this year's summary.

International

Again, a terrific turnout at the mid-week international reception in Topeka this year. The positive interaction among people from many different countries and cultures is proof that the love for our wonderful breed brings people together.

A special thanks to members of the DPCA board, judges and handlers for attending. Our guests truly enjoy being able to have one on one conversations with all of you.

During our gathering, President Ann Wulbrecht was able to meet with Robert Perry, President, Dobermann Club of New South Wales to discuss common issues related to both countries.

Prior to the pandemic restrictions, we asked our international friends to bring a bottle of their favorite wine from their home country to be auctioned at the Friday night COPE/RESCUE dinner. The response was truly fantastic with many, many bottles of very high quality wines. The donations raised a significant amount of money for the club causes. Thanks to all for your contributions. We think we should do that again next national.

Thank you to the DPCA Board of Directors, Ann Wulbrecht and Jan Stephenson for your support in helping to make our friends feel welcome.

Respectfully Submitted, Hiroko & Skip Lee

Judges Education Committee

Mission Statement: The mission of the Judge's Education Committee is to extend knowledge to active and aspiring judges, mentors, breeders, conformation and performance exhibitors, handlers, and the general fancy. Dedicated and knowledgeable DPCA members will create an educational environment providing accurate and responsive materials at shows, seminars, and on the internet.

JEC has continued to educate through the year, we meet monthly to discuss new and better processes for education.

Vicki Seiler Cushman has published an in depth look at the Doberman on the internet. Through Facebook and other electronic groups each section of the Doberman standard was explored in detail. We had many shares and lots of good conversation.

Mary Ann Hollis has continued to do a great job sending our quarterly newsletter the Mentor Musings to our mentors. Erica Tate is our executive assistant and has continued to be a valuable part of our team.

We are blessed to have 100 mentors that represent most of the country and some neighboring countries.

Our mentor committee has expanded to a sub-mentor group that will assist with developing new and fresh ideas for the mentors to educate prospective judges. The first meeting was held on Monday, September 19. The sub-committee mentors are Colleen Nicholson-chairman, Linda George, Linda Whitney and Karin Fox. The purpose is to develop ideas and priorities for mentoring future judges from a handler/breeder viewpoint. The Judges Education committee looks forward to working with them and seeing their results.

We had our annual mentor meeting on Thursday, October 6 at 5:00pm in the Homestead Room. The new mentor committee was introduced and had a meet and greet with fun and refreshments. Unfortunately, the attendance was poor, we are working on new ideas to create interest for the mentors to attend.

The National Judges Education Seminar was held on Friday, October 7 in Topeka. Bob Vandiver, Vicki Seiler Cushman, Victoria Hall and Fran Sparagna presented this year. Erica Tate assisted in the seminar and does a great job with registrations and managing the details. We want to thank all the mentors who brought dogs for the new judges to examine, Mona Fasth managed the mentoring ringside and had dedicated mentors to assist with our new judges.

Michelle Kramer is working on a Mentor Facebook group. It will be a resource where mentors can discuss approaches to mentoring and what does and doesn't work. Invitations have been sent and we are working on valuable content.

We want to thank Bob Vandiver and Pam DeHetre for all of their contributions to The Judges Education Committee for so many decades. We have two new members, Lita Milstead and Adrian Woodfork.

To date the DPCA JEC video "How to Judge the Doberman" has 321,998 views.

If you have any suggestions to help raise the bar of Doberman judging, please let us know as we continue to devote our efforts to assist judges to be the best in our breed.

DPCA Top 20 Obedience

Congratulations to Herron Duke and Ch Kerwynd's Sunset In Monterrey, UD on winning the 2022 Top Twenty Obedience competition! The judges this year were Sue Emerson and Bonnie Horn Fisher. Lynn Eggers once again did a superb job calling the pattern for each of our finalists. Steve Fox was the announcer for the event and I think he now has a permanent position!

The Top Twenty was very well attended. It was nice to also have the DPCA BOD and Officers supporting the Top Twenty. Our beautiful breed has a long-storied history in performance events and seeing the teamwork that goes into qualifying for the Top Twenty Obedience helps showcase this side of our dogs. It was fabulous last night seeing the large turnout.

The raffle was a huge success! THANK YOU to all involved in assisting in the Top Twenty Obedience event and special THANKS to our raffle donation Artisans (Cheri McNealy, Keeper Collars, Candee Brey, Sharon Marinelli). Top Twenty committee members also donated several raffle items. THANK YOU, Sharon Marinelli, Nan Grigor Ball and Lexi LaPorte, for the phenomenal job in selling the raffle tickets!!! Lastly, thank you to everyone that purchased raffle tickets, the funds go directly to the Top Twenty Obedience Event to help fund the judges' fees.

Sunshine Committee Report

The Sunshine Committee is here to serve our DPCA members and families to bring comfort in time of family loss, health concerns or just a sweet card to bring someone joy.

2022 brought many of our friends loss & sadness, cards were sent to show all of them our love & support from our DPCA members.

Please reach out to me to let me know who is needing a card sent so we can show our support to all.

Thank you!

Legislative Affairs Committee

The legislative committee has had an exciting and busy year since Kingsport, TN. As reported, the committee held its first legislative roundtable at last year's national with a small group of DPCA members that included an AKC Government Relations Representative, AKC delegate, AKC judges, Doberman breeders, owners, handlers, vendors, a veterinarian and local constituent Doberman lovers.

This year, we held our 2nd legislative roundtable at the National, and it was extremely well attended once again by congressional and state officials. We were honored to have The Honorable Jake LaTurner (R-KS) who represents the Topeka area in the U.S. House of Representatives, as well as Kansas State Senator Rick Klott who represents Topeka at the state level. I would like to give a special shout out to State Sen. Klott for returning to the show site with his beautiful pet Doberman, Chief (named after the Kansas City Chiefs). In addition, we were honored to have representatives from both U.S. Senators Jerry Moran and Roger Marshall's offices participate.

In Topeka, we also held our first legislative seminar with a presentation by the regional government affairs representative from the AKC, Jacob Hupp. Jacob gave an overview of all the legislative local, state and federal issues facing our dogs and the industry. He provided excellent resources and suggestions on how individuals and members of this club can get involved. Our voice does matter and when it is heard, it does make a difference. The AKC featured our meeting with the legislators in their Take the Command newsletter.

Since last year, the committee is now comprised of eight individuals:

Lita Milstead Brannan

Angela Ferrari

Jacqueline Rickards Pomper

Kevin Priddle

Rebecca Roter

Sue Sullivan

Adrian Woodfork - Board Liaison

Ann Wulbrecht - DPCA President

The committee created a master list of legislative liaisons for the DPCA Chapter Clubs. All the liaisons were given the link to sign up for AKC legislative alerts and in turn share with their Clubs. We still encourage

Cong. Jake Turner (R-KS) with Dr. Kay Backues and Ajax

everyone to sign up for those alerts, as they provide real-time information on efforts stirring at the local and state levels. In addition, Sue Sullivan of the committee drafted a document that we plan to share with as many individuals as we can. The document contains excellent information and resources to help us in our efforts to protect our breed.

In the spring, all liaisons were invited to attend a virtual briefing by AKC Government Relations Representative Patti Van Sicklen, who gave an excellent overview of the on-going issues and what AKC is doing to combat bad legislation and promote the good legislation. We repeated this virtual briefing at our November meeting and once again invited the Chapter Clubs liaisons to attend with a presentation by AKC Government Relations Representative Jacob Hupp.

As the old saying goes, "it's good to be at the table... because when you aren't, you are likely on the menu." So please keep your eyes and ears open on anything you hear that might affect our fur babies and feel free to reach out to any of us with questions or concerns.

Public Education Committee

The Public Education Committee (PEC) actively promotes, preserves and protects the Doberman Breed by public engagement via email inquiries, supporting Meet The Breed (MTB) events, and more recently by developing a Crop Grant Program. Promoting our breed and its standard positively and factually becomes increasingly important as legislation to undermine dog ownership, breeders' rights and breed standards is being introduced state by state across the country. PEC currently has 12 active working members; all have dedicated working roles with defined responsibilities

Touching briefly on the public's asks of DPCA, PEC received email questions with topics ranging from where to locate Clinical DCM trials, to locating service dog trainers, in addition to help locating breeders and Vets who offer cropping services. We had an inquiry from abroad querying about our ability to offer strategies to protect breed standards in other countries. In every instance care was taken to seek educated and thoughtful responses as DPCA representatives.

A MTB highlight for 2022, was DPCA's participation in all 3 of AKC's National MTB Tour venues for the second year running. Having an active Chapter Club MTB Liaison Community made it easy to tap into our membership to step up to participate in these AKC MTB events. Our Florida, Dallas and Columbus Chapter Clubs coordinated staffing these events thanks to Floridians Christine Tartar, Bobbi and Leslie Hall, to Texans Lori Stowe, Gretchen Jernigan, and Ohioan Charlotte Pritt. MTB events are valuable interactive venues, an opportunity for the public to meet "us", the DPCA, and our wonderful breed in person. They are also valuable opportunities for us to manage the narrative about our breed, to dispel myths about Doberman exploding brains, to dispel the notion that a floppy ear is natural when in fact it is the result of domestication. PEC offers educational Zoom Meetings to MTB Liaisons and Chapter Clubs to standardize messaging to help manage the public narrative about our breed. PEC also provides

MTB literature to Chapter Clubs for public handout. The flyer WHY WE MATTER, was developed by PEC for the 2021 Legislative Roundtable, and it has been added to the list of MTB handouts. This flier documents the many ways dogs, dog ownership and the Doberman benefit the greater community. AKC also developed a new Crop/Dock Flyer approved for use at MTB events. Our DPCA Zoom account has proven to be a great way to build our MTB Community by networking and sharing ideas to promote, preserve and protect our breed. Please visit the PEC National Booth, set up as an ideal MTB Booth, thanks to Lori Stowe and her Dallas crew.

Our new DPCA Crop Grant Externship evolved to preserve our breed standard. It is an admissions program for a Veterinary clinical externship designed by Veterinarians, with lay administrative support provided by PEC members. Just an idea a short 17 month ago, currently there are 27 Graduate Licensed Vet applicants, 11 program Graduates, with a projected 18 Graduates by year's end. This program is possible due to a dedicated core of Vets willing to train their peers gratis, combined with the dedication of hard-working PEC members offering administrative support, and the DPCA's generous funding. Other breed clubs interest prompted requests for the programs presentation twice to the AKC Delegate Body and also to NAIA by Patti Strand's invitation. The message has been received this program needs support from both cropped and non-cropped parent clubs to support the ability to control breed standards. Please do read the Doberman Network's current issues' article outlining the inner working of the DPCA Crop Grant Program for more detail. Please let us know who your favorite cropper is and refer any Vets interested in learning to crop our way. It is your support as DPCA members that make both the MTB and CG programs possible. We thank you for the opportunity to serve our Breed.

Legacy and APEX Awards

At the Annual Membership Meeting changes to the APEX and Legacy formularies and applications were announced. Even as the committee established the original criteria for the programs, we knew that we would need to consider such changes as application data was gathered and analyzed for the first few years.

Pertaining to the Legacy Awards for outstanding Stud Dogs and Brood Bitches, from 2015 through 2021 five Stud Dogs had been recognized at the Gold level and ten Dogs for the Silver level. In the same time frame five Brood Bitches had been recognized at the Silver level but none had obtained the Gold level. Thus, the decision was made to adjust the numbers for the Gold level, using those five Bitches' numerical achievements as our template—effectively moving those five Bitches into the Gold level. Subsequently, the criteria for the Silver level was also adjusted downward. Because of this change in the Silver level criteria, I encourage anyone who has/had a Bitch that previously did not quite qualify for the Silver level, to take another look. If you have/had a Bitch that had been recognized at the Bronze level, and now qualifies for the Silver level, please do let me know so your Bitch can be properly recognized.

One of the most common remarks the committee heard about the programs was that the formularies were difficult to understand. So, changes were made to make the formularies clearer and more user friendly:

- Intermediate and Advanced titles are clearly identified now by each applicable title
- Applicable AKC Scentwork titles were added
- The points criteria were removed

The APEX program for outstanding Breeders was also revised as follows:

- "Served as an Officer or Board Member for the DPCA or one of its Chapter Clubs" was added as an option to meet the Service requirement
- Intermediate and Advanced titles are clearly identified now by each applicable title
- Examples of possible reasons under which the committee may unanimously vote to accept an APEX application include but may not be limited to:
 - Waiving a current history of attending the DPCA National and performance of some service to the Doberman community due to geriatric age, chronic debilitating health issue or serving as a caretaker to the aged or affirmed. The applicant must still have met these requirements in the past when not restricted by their current limitations.

- Issuing an Award posthumously at a family member's request.
- Waiving requirement #3 for foreign DPCA members as well as reducing the number of Nationals attended to one in the past five years.

We had previously presented the APEX and Legacy awards just before selection of the Grand Futurity winner but, found that ringside attendance at that time of day was poor given that most of the judging was over. So, in keeping with moving most of the award ceremonies to the annual Fundraising Dinner, the APEX and Legacy awards were also presented there this year.

Due to supply shortages in the previous year, we were able to distribute the APEX and Legacy plaques to the 2021 recipients, announced in the 2021 Year In Review, during this year's ceremony. Thank you to those recipients for their patience.

The 2022 award recipients were:

APEX GOLD

- Gwen DeMilta, Alisaton (presented posthumously)

APEX BRONZE

- Carissa Shimpeno, Alisaton

LEGACY SILVER BITCH

- CH ADAMAS Full Disclosure RN RATCH CZ8B DS AJ SWN CA ROM

The following Silver level Legacy Brood Bitches were moved to the Gold level:

LEGACY GOLD BITCH

- GCH ADAMAS Shockwave CD CA RATS ROM BFL-1
- AM/CAN CH MACH7 PACH Royal Future JP Sakura Of Dabney RN MXB3 MJG3 MXP3 MXPB MJP3 MJPB PAX XF T2B ROM LC-10L
- GCH MACH Foxfire's Easily Steller v Electron CD RE MXS MJG OF CA RATN ROM
- CH Sharjets Starr Attraction CD RE CGC ROM LC-13L
- CH Wingate n Sherluck's Zirconium

Thanks to previous years' fundraising efforts and the generosity of benefactors that acknowledge the importance of recognizing our outstanding Breeders, Stud Dogs and Brood Bitches, we look forward to being able to continue these award programs. Application for APEX and Legacy Awards will be taken until August 1st for presentation at the 2023 National in Springfield, Missouri..

DPCA Year In Review Publication

This edition of YIR features the 2022 DPCA National and Regional winners, along with the regular sections of YIR. Congratulations to all the winners and new titles. We hope you enjoy the 2022 Year In Review.

We also would like to thank each and every one of you that submit committee and chapter club reports, new titles, and of course all the wonderful candid photos...

Keep them coming!

We have entered the Dog Writer's Association's contest in October with both 2020 and 2021 DPCA YIR books. The entries have doubled in size since they skipped a year. Hopefully the YIR will be recognized again in this contest.

We are so happy that many more have followed our detailed guidelines for submitting items to the Year In Review. By following these, it really helps us keep everything organized. Please look these over in the colored

boxes and refer back to them before sending in your items. Your cooperation with this will be very much appreciated.

As always **you do not need to wait until the deadline**—items can be submitted as they occur all year long. You will always receive a reply when you send a submission. If you do not hear from us, then contact us. If you have any questions, please do not hesitate to reach out to either one of us, anytime.

Thank you very much!

BOARD OF DIRECTORS MEETING
MONTHLY TELEPHONIC MEETING
JANUARY 11, 2022

President Wulbrecht called the meeting to order at 5:05 PM/PST. In addition to President Wulbrecht also in attendance : Kramer, Hopper, Denmark, Harner, Rohweder, Zaeske, Lajeski, Jensen, Huckfeldt, Brotherhood, Barron, and Rabold . Absent Woodfork.

Motion: 22:09 (Jensen/Hopper)

Preamble: As it may become necessary

Motion: To take business out of order.

Motion adopted by majority. Absent: Woodfork

November minutes approved with corrections.

Denmark reported that the timeline listed in the APM for Recording Secretary is being updated. This includes the Nominations and Judge Election for the DPCA National. November is a difficult time for these two items to be scheduled. Membership Renewal start in November and with the holidays its just not a great time.

Wulbrecht, Denmark and Rohweder all agree that nothing else needs to be done during membership renewals.

The timeline will be adjusted to reflect this change. Judges nominations and Election will be done in the spring.

Corresponding Secretary: Harner

Woodfork joined meeting at 5:15 PM/PST.

Treasurer: Zaeske

Financials and bank statements were sent to the Board for review. We received a \$20,000 bequest from the Estate of Margaret Mee. Per the instructions ,this money was to be allocated \$10,000 to rescue and \$10,000 to the National Show. This donation has been recorded on the books accordingly.

We received a check for \$16,975.95 from the estate of Delores Gerards with no designation as to its allocation.

Motion: 22:10 (Zaeske/Hopper)

Preamble: Whereas donation from Estate of Delores Gerards has no designation as to allocation

Motion: To allocate \$8,487.97 to Rescue; \$7,487.98 to Health Research; and \$1000 to the Holter Project.

Motion adopted unanimously. Rescue will be able to use the monies from this donation this year as needed.

Motion 22:11 (Jensen/Rabold)

Preamble: As is necessary

Motion: To approve the Treasurers report.

Motion adopted unanimously

2nd Vice President Hopper reported the Chapter Club renewal and compliance with the IRS is almost complete. Clubs that have fallen behind will be given the name of a CPA who is willing to help upon request to correct things and bring them current.

AKC Delegate: Lajeski

Lajeski reported that during the Crop and Dock committee meeting that was held during the AKC Delegates meeting was a great success. Dr. Kay Backues gave presentation on the DPCA Crop and Dock Veterinary Externship Program. Patti Strand with NAIA has asked Dr. Backues to give a presentation at the NAIA Conference to be held in April this year. The AKC has approved the Best Bred By Puppy classes to start in March. The DPCA will offer these classes at the 2022 National.

Rabold presented the PEC committee report from Rebecca Roter. The PEC is working on two projects the Crop and Dock Veterinary Externship Program and the DPCA's 6 standalone 2022 MTB events on the AKC tour schedule.

President Wulbrecht gave National Show Committee report. The planning is underway for the 2022 National to be held in Topeka ,KS. The Annual meeting will begin at 2:00 PM in the afternoon. The AKC has approved the addition of the Puppy Bred By Classes . The DPCA will offer these classes at the Regional and the National this year. Bred By Exhibitor will also be added to the Futurity Classes.

The AKC notified the DPCA that 2 exhibitors, Estelle Corr and Rebecca Roter, were ineligible to exhibit in the Futurity Sweepstakes at the 2021 National. Any awards and placements given to entries owned or co owned by Estelle Corr and Rebecca Roter are vacated. All prizes and awards are to be returned to the DPCA.

There was a lengthy discussion regarding the National site location. Topeka is the only site at present that offer onsite agility and both water and electrical for RV parking. The two major concerns are whether we continue a rotational plan for National site or go with Topeka as a single site for the National every year. The rotation is east, 2021 National in TN, middle 2022 in Topeka and west ,2023 in Denver. The show committee has evaluated 90 sites and will continue to monitor new locations.

President Wulbrecht reported that she has consulted with Victoria Hall and Tammy Rush (UDC President) about the proposal for the DPCA to support Doberman attendance IDC at the World International Competition for Dobermans.

Motion 22:12 (Denmark/Hopper)

Preamble: The Doberman Pinscher was bred to be a protective dog. The DPCA supports Dobermans as a working dog.

Motion: In support of Dobermans participating in working dog sport, the DPCA offers an award to US based Doberman/handler teams that qualify for and attend the IDC Weltmeisterschaft (IGP international competition) held in May of each year in Europe. The DPCA will award \$500 to each qualifying dog/handler team. To qualify for the IDC, the Doberman must attain a score of 270 points earned at either the UDC National, IGP trail or the Fall Classic IGP trial held at the DPCA National. The qualified team (s) will file notice of intent to attend the IDC with the UDC. The UDC will verify that the team is entered in and competed in the IDC. The awardees name and contact information will be sent from the UDC President to the DPCA Working Dog Liaison along with proof of IDC attendance. After verifying the information , the DPCA liaison will submit a completed reimbursement form to the DPCA Treasurer for payment of the award.

Motion adopted unanimously.

Hopper reported that a new Chapter Club has been formed. The Doberman Pinscher Club of Central Kansas.

Their application has been accepted by AKC .

Motion 22:13 (Hopper/Huckfeldt)

Preamble: Whereas the Doberman Pinscher Club of Central Kansas has satisfied all AKC requirements to become a Chapter Club.

Motion: To approve the DPC of Central Kansas as a Chapter Club

Motion adopted unanimously.

Lajeski reported that the latest Purina Newsletter had an article that focused on a kennel known as a prominent cross-breeder. Wulbrecht will speak to the DPCA Purina REP as well as send a letter from the DPCA regarding the Purina support of such a kennel.

American Kennel Club PAC has requested that we send their letter to our membership requesting donations to help support their efforts to protect Purebred Dog Ownership . Board approved letter to members.

The renewal deadline has now passed. There is the opportunity to renew with a late fee until June. If you, or someone you know wishes to take advantage of that opportunity, please get in touch with me. I will provide you with the instructions on how to process the late fee.

New membership applicant names have gone up on the website for comment. If you have any comment, positive or negative, you may direct them to me, or any other Board member.

I would like to welcome the following new members, Stephanie Gibson, Cathy Tomes and Anita Schott. We look forward to the talents you will bring to the DPCA!

Membership renewals were down by 200.

We are working on building a committee to update the membership application. Kramer also suggested developing a new Breeder Listing application process. Hopper and Brotherhood will start working with her on this. They will bring it back to the Board to review and approve.

AKC Delegate : Lajeski
Absent

Treasurer: Zaeske

Financials and bank statements were sent to the Board for review. Zaeske also added that the

loss from the Regional at Royal Canin this past year was \$3000.

Motion 22:15 (Rabold/Hopper)

Preamble : As is required

Motion: To Approve the Treasurer's report as submitted.

Motion approved by majority. Lajeski absent.

2nd Vice President Hopper reported that six Chapter Clubs are out of compliance with their 990 IRS. Three of these clubs have been in contact with a CPA to help them with required compliance with IRS 990. Three Chapter Clubs are considering desolving and have not paid their dues. Hopper is working to bring Chapter Clubs into compliance.

Rabold reported on behalf of the PEC. AKC has updated their Meet the Breed tour. Los Angeles has been cancelled. The NYC Pier has been added. There are multiple Chapter Clubs that are coordinating to provide man power for booth in NYC.

AKC has released two new flyers with statements on cropping and docking. DPCA did request that the statement about cropped ears providing better hearing be removed since that statement is not based on scientific evidence. Following the Board's review it was decided the DPCA will continue to use its own printed information in all Meet the Breed booths.

The Crop /Dock Externship program is doing great. Dr. Barker is the first graduate. There are 4 others that have been accepted into externship program and have been paired with a mentor. All of these are Licensed Vets.

Wulbrecht presented the National Show team report. The National is the single largest fundraiser for the DPCA. The National raised \$39,501. The \$10,000 donation from our sponsor Purina, \$15,890 in vendor income and the sale of Premier and Platinum sponsorship totaling \$12,000 supported the improved net income.

National income was also driven by increase in revenue from 1) apparel sales, 11.3% increase even though prices were reduced and 2) new fundraising option generated a 20% improvement over 2019. Friday night banquet and fundraiser raised \$13,853.

The World Doberman IGP trails Award only allows un-cropped dogs to compete. Question whether the DPCA wanted to support a team from the USA, if one qualifies, with a stipend of \$500.00? This would be granted to them following their return from the competition. Motion adopted at the January meeting to do so. At this time the motion will stand pending further discussion. Victoria Hall will join meeting next month to give more information.

Wulbrecht presented that the Kingsport Tennessee site has proposed improved parking for 2024 National.

Motion 22:16 (Zaeske/Rabold)

Preamble: National show site are selected 2 to 3 years in advance to ensure best site and date availability

Motion: Approve the Meadowview Marriot Conference Centering Kingsport Tennessee as the site of the 2024 DPCA National to be held on September 28, 2024 through October 5, 2024.

Motion adopted by majority. Absent - Lajeski.

Harner discussed new waiver to be signed by all evaluators and workers, as well as participants. Needs to be signed annually. Could be included with the membership renewals.

Motion: 22:17 (Harner/ Jensen)

Preamble: As it is necessary to have liability waivers signed

Motion: WAE evaluators will sign a wavier of liability annually to release DPCA and groups holding WAE events harmless.

Motion adopted by majority.

Zaeske reported that the assessment of late fees for membership reinstatements has created increased work and it is potentially in conflict with our Bylaws.

Motion 22:18 (Zaeske/ Huckfeldt)

Preamble : Motion 21:9 has created extra work and potential conflict with our Bylaws

Motion : To rescind motion 21:9

Motion adopted by majority; Lajeski absent.

President Wulbrecht reported that Huckfeldt was appointed to chair the Nominating Committee.

Huckfeldt will form a committee to nominate members for 3 two year Board of Director positions.

Zaeske lead discussion regarding our yearly donation to National Animal Interest Alliance.

Motion 22:19 (Zaeske/Barron)

Preamble: To continue our annual support of NAIA.

Motion: To authorize our annual expenditure of \$5000 to the National Animal Interest Alliance.

Motion adopted by majority. Lajeski absent.

Executive Session 6:52 PM/PST

End Executive Session 7:10 PM/PST.

Vicki Cushman will chair the Judges Education Committee.

Melanie Luten will take over as WAE Secretary.

Sue Lynch will co-chair the ROM Committee with Schoeneman for 4 months in preparation to take over committee.

Membership Secretary: Rohweder

No report.

Rabold reported that the PEC is looking for a volunteer that is familiar with Google that could help the committee. The third veterinarian is currently going thru ear cropping mentoring program currently.

Wulbrecht reported that the show team is having significant issues right now procuring a Superintendent for National. This is due to staffing issues and the amount of time that the DPCA requires to be dedicated to our labor intensive National. Issues are lack of equipment. Our club requires the same amount of mating as an All - Breed show. Also another issue is our national goes over 2 weekends. They have some ideas but , will get back to Board next meeting.

At last meeting the question arose as to whether the Orlando regional could expect to see any profit? At this point it is not expected due to high cost of venue and exorbitant fees charged by superintendents. The Superintendent charge was \$857.00 for 2 hours.

Beverly Capstick could judge next year.

Kris Harner has agreed to go to Orlando and try to get the event more self -sufficient. She is the closest Board member and has great experience.

Denmark reported that the Judges Nominations would be going out in April.

The Nomination Committee this year will be chaired by Cindi Huckfeldt.

Huckfeldt reported that her committee would be : Erica Tate and John Schoeneman. Alternates will be Ashley Claggett and Jana Dupre.

The committee will meet in 10 days.

Harner reported that the waiver of liability could be sent out with the membership renewal that would be a blanket cover for all members that volunteer for the DPCA.

There was review of CHIC requirements, no changes necessary at this time.

Financials and bank statements were sent to the Board for review. Carol Moore sent \$1500 to DPCA from the DPCA Regional Agility trial. The event was held at Countryside Agility in Erie,

Motion 22:21 (Rabold/

Preamble: As it is necessary

Motion: Approve the treasurer's report as submitted.

Motion adopted by majority; Hopper absent.

Victoria Hall joined meeting to give more information regarding the World Doberman IPG Award trial.

Doberman teams from the USA have competed and have excelled in the past. The DPCA has supported the IPO event in USA that would qualify these US teams to compete internationally. Victoria feels the DPCA should match what the UDC donates at \$500 a team if there are teams qualified.)

Ann will work on an amendment that would specify that the dog be bred in USA.

AKC Delegate: Lajeski

Lajeski reported that the cropping /docking is a major concern for AKC They are working with Parent clubs of breeds that crop/dock.

Lajeski also reported that the AKC supported semen bank is tied up in legal tape right now.

AKC is setting up a new Owner Handler point system

The Irish Terrier Club has setup a 4 H video of the life of dog including whelping.

Rabold reported that the PEC has 78 vets paired with mentors at present for externship cropping program.

Other cropped breeds are also showing interest in program.

PEC is thinking on sending letters to other

cropped breed clubs. This should gauge the interest other Parent Club might have in participation.

Huckfeldt reported that the Nominating Committee met Committee consisted of Erica Tate and Jana Dupre.

The Nominating Committee had six people volunteer to run for the three Board positions. Alisa Brotherhood, Doug Jensen and James Barron were chosen by the committee to run for the three Board of Directors positions available.

The DPCA would like to add an award to recognize the versatility of the Doberman Pinscher. The Versatility Award Program would recognize Dobermans that have excelled in multiple dog sports. DPCA members that dedicate themselves to training and competition with their Dobermans should be recognized for their efforts.

Tammy Kaplan has brought this idea forward to the Board for its consideration.

Motion 22:22 Harner/Huckfeldt)

Preamble: In recognition of the amazing versatility of the Doberman Pinscher.

Motion: Approve the Versatility Award for DPCA members as outlined in the April 12, 2022 DPCA Board

Meeting. Members must submit an application for the award to the coordinator of the award program.

Submission forms will be available on the DPCA website in the award section. A DPCA member will be appointed to coordinate the program.

Cathy Kendrick has reported that the requested updates to the Dobequest database approved by the Board in July of 2020 have not been completed by Paul Stavrides of Progress Technical, LLC. Cathy has been working with Michelle Kramer to determine the best course of action to get the database functioning well. Switchbox will do a discovery to determine the database's functionality; this would take 4-8 hours and the cost would be \$660-\$1320. There are several options once this discovery is complete. Switchbox will assure all functions of the database are in working order and all agents are updated as needed.

Motion 22:27 (Kramer/ Hopper)

Preamble: based on lack of performance by Progress Technical, LLC

Motion: Engage Switchbox to preform discovery services on the Dobequest database at a cost ranging from \$660 -\$1320.

Rabold reported that the PEC committee is doing a great job. There was a MTB Zoom that was attended by the 3 Chapter Clubs with AKC MTB events. Hall is organizing the PEC 2022 DPCA National table. Lita Brannon /Chair of DPCA Legislative Committee, has inquired about sharing the PEC table.

Peter Piusz ARC Delegate/ Chair AKC Crop Dock Committee again has invited DPCA to present. Dr. Backues presented to the AKC Crop Dock Committee Orlando 12/21.

The crop and Dock committee are making efforts to streamline the applicant data flow and continue to define clarify all the steps in between an Application being filled out online and to that applicant " from the program.

A VATF member will follow up with both Mentee and the Mentor about one year after the Mentee completion of the Crop Grant program. PEC/VATF member will also follow up to see if that Veterinarian is offering cropping services. Currently we have 15 Mentors, 8 of which are Actively scheduling Mentees. Hall will be printing the Crop Grant certificates and mailing the mugs/ certificate s/ congratulatory cover letter from DPCA President.

The committee tasked with revising the Breeder Referral Listing criteria consists of Kramer, Hopper and Brotherhood. Kramer presented proposed new criteria for obtaining a Breeder Referral Listing. The committee looked at what other parent clubs are doing and purpose the following criteria:

- 1) Be a member for at least 5 years, 2) be in good standing and
- 3) agree to add a non albino disclaimer to their website (should one exist).

Motion 22:29(Kramer/Hopper)

Preamble: Whereas the current requirements to be on the breeder referral listing are 1) to be a member for at least five years, 2) be in good standing and 3) agree to add a non albino disclaimer to their website (should one exist). Whereas all members currently agree to the DPCA Code Of Ethics. Whereas the club encourages commitment to pure bred dogs, Dobermans, and activities.

Motion: In order to be listed on the DPCA Breeder Referral listing, not only does one need to be a member for at least the previous 5 consecutive years, they will need to agree to abide by the Code of Ethics, agree to have sales agreements in writing, agree that advertising shall be honest agree to the current albino website disclaimer, agree to not breed albino or z factored animals and indicate their areas of participation. Only those members who are active defined by participating in at least two areas) will be allowed to pay for a listing.

Motion adopted by majority.

The committee reviewing membership types consists of Rohweder, Jensen, Huckfeldt, Kramer and Wulbrecht. The committee added 3 questions to the membership application for active members.

Motion 22:30 (Huckfeldt/

Preamble: In support of Motion 21:49 and provide the additional information requested by members prior to making a decision on the addition of an associate membership,

Motion: Add the following questions to the application for Active membership:

1. Please list the volunteer positions you have held in another dog club (All Breed Club, Parent Club Breed Club, DPCA Chapter Club, Performance Club). Examples include but are not limited to officer, Board member, committee member, show chair, event committee, work at club events. If your volunteer activity is for a non DPCA Chapter Club, please list two references from that Club.

Reference 1 Name	Phone	Email address
Reference 2 Name	Phone	Email address

2. Please list the events you participate in with your Doberman and any titles earned. Please attach copies of the title certificates.

3. Please indicate which DPCA Committees you are interested in volunteering for:

The application for associate membership, if passed will be the same as the active application without the questions added in this motion. Question 3 will be on all applications. Dues for an associate membership will be 50% of the dues established for active membership.

Motion adopted by majority.

Wulbrecht and Rohweder lead discussion regarding lapsed membership. Every year a few members fail to renew their dues. The AKC recommends in the sample parent club bylaws that there be a method for handling this. The DPCA Bylaws explicitly state the Board is responsible for membership applications and that we must vote on all applications. We recommend that we have an application to cover this situation.

Motion 22:31 (Rohweder/ Huckfeldt)

Preamble: To handle current year lapsed membership

Motion: Add a streamlined application for members whose membership lapsed as of January 31st of the current year. The application will consist of the first page of the membership application. The streamlined application will be available through August 1st of the current year.

Motion adopted by majority.

Executive Session 6:48 PM/PST

Executive session ended 7:07PM/PST.

Wulbrecht led discussion regarding the current Judges compensation at the National. The current policy has been in place for 10 plus years. The current compensation is \$7 per dog or actual expenses, with some limits on what can be expensed. This policy causes confusion for many judges. The average payments fall between \$1100 to \$ To simply process, change it to a flat fee of \$1200 to AKC judges that judge the Regional and National events. The AKC judge expense would be slightly higher expense overall.

Motion 22:32 (Rabold/

Preamble: Simplify the National Judges Compensation Policy

Motion: For the confirmation events at the National and the associated Regional requiring AKC approved judges, compensation will be of \$ All judges must submit a 1099 to receive the judge's fee.

Motion adopted by majority.

Meeting was adjourned at 7:13 PM/PST.

AKC Delegate: Lajeski

Lajeski reported that he attended the AKC Delegates meeting. The Canine Health Committee is asking Delegates to request that clubs donate to the Canine Health Foundation so that more funding for grants for health research can be funded.

The AKC is going forward with planning for formation of a Semen Bank. There would be much preparation for a parent club to establish the ramifications for storage of semen in the AKC Semen Bank.

AKC is forming a committee to study increasing number of groups at dog shows.

A meeting was held regarding Crop Dock. They would like to increase participation before the meeting in September when Dr. Backues will be speaking. Rabold agrees to discuss this with the PEC committee about sending out invitations to the Parent Clubs of breeds that crop/ dock.

Rabold reported that 2 more veterinarians have graduated the Crop Grant program. Total of 7 graduates now! Dr. Backues is scheduled to present to the AKC Crop/Dock meeting in September. PEC is looking to recruit a DPCA member to develop a list of possible Mentors in states/regions with none using the DPCA Directory as a starting point to network with breeders to develop the list. There are 12 active pairings of Mentor/Mentee. Dr. Backues and Janet Stavrides report several Mentees and Mentors have reached out to express their enthusiasm for this program, which is serving to build valuable professional relationships in the veterinary community with the flash point being preserving legal quality cropping.

Zaeske reported that the Year In Review had a budget overrun from \$20,000 last year to an increase this year to \$10,000 over budget. The printer was 71% higher this year.

Rabold reported on behalf of the PEC committee. PEC is working on the MTB DPCA handouts. Charlotte Pritt will be doing the Columbus DPCA AKC MTB on 10/15/22.

Dr. Backues is currently at the AKC Delegates meeting in Newark, NJ, where she has been invited to speak . Her speech will focus on how the program is administered/ operates and how all clubs may assist in breed preservation. This could be through grant donations or referring Mentee applicants / new Mentors. Program is currently operating smoothly, team members roles/ responsibilities continually are evolving as the program grows. Clearly defined roles and streamlined data flow improves team internal communication.

Rabold reported that as of 4:00 PM/PST reporting today:

Dr. Backues 's power point presentation at the AKC Delegates meeting / Newark NJ was well attended by about 50 delegates as reported by Glenn Lajeski. Janet Stavrides / Externship Scheduling Coordinator drove from Doylestown, PA to attend and Dr. Rachel Hack, one of our Mentee graduates drove from Egg Harbor to attend. Glenn reports Kay's presentation was very successful.. well attended and fabulous. Great feedback was received, another great step forward for this worthwhile project. Janet reported that the audience was very engaged and asked a lot of questions, many delegates thanked the DPCA for organizing the program and noted if the fancy lets animal extremists to stop cropping and docking, all preservation breeds are at risk. Dr. Backues wrapped up her presentation emphasizing " That cropped breeds should support the program monetarily and non-cropped breeds need to support cropped breeds as a United front against losing our ability to control our standards."

Dr. Hack, one of the programs early graduates, has maintained a good relationship with DPCA Mentor Dr. Faison and continues to travel from NJ to DE to further her cropping skills and knowledge, reports Janet Stavrides.

Rabold reported that as of this Board meeting there have been 3 more graduates!

Wulbrecht reported for the National Show committee. Entries close on Sept 14, 2022 for all events. Carol Moore reports that 95 Dobermans are entered in the agility trial so far.

The Hotel informed Jan Stephenson last week that the onsite restaurant no longer serves individual menu items, they are a buffet only restaurant now. She was also informed that the Bar will no longer serves food.

Huckfeldt reports that the trailer is fully organized. She has been storing trailer and organizing it.

Jan is working with the Wichita Falls, TX Convention Center as whether we can move to 1st week in October in 2025.

It's becoming increasingly difficult to secure a Superintendent and find locations that can accommodate our event. It is appearing we have reached a "tipping point" on the structure of the National. The National Show team would like to host a focus group with interested members at the National on Thursday evening. We would like to share some of the challenges and ask for ideas on what we can change. Some of the factors that do not favor continuing the National in its current structure:

1. Superintendents resources are scarce. With retirements, many can no longer afford to give up a superintendent for two weekends.
2. Not having a full superintendent requires us to source our own equipment which is difficult when moving from location to location. Some all- breed clubs are moving to a show in a box concept, but have the ability to store their own equipment. The DPCA does not have this ability when moving around country.
3. No superintendent will mat over carpet, which further limited the locations that are suitable for our events.
4. Fewer locations with RV hookups.
5. Fewer volunteers make it difficult to execute. For example, no one volunteered to handle decorations this year. 4-5 people cannot run a National of this size. We will have volunteer sign up sheets for the 2023 National this year.

Ann, Jan and Linda

Harner reported that the ROM committee has started the process of updating the WAE handbook.

Wulbrecht reported that ballots have been prepared in case there is a quorum at the Annual meeting . It takes 148 members for a quorum.

The AKC has requested that we add membership dues amounts to our Bylaws the next time we opened the Bylaws for a vote. The AKC sample Bylaws request an upper limit for dues. Propose the addition of : Dues may not exceed \$100 for all membership types.

The Gwen DeMilta Memorial Trophy will be awarded to the breeder(s) of the sire and dam earning the most points in the DPCA Futurity and Maturity competitions at the National. Points are awarded as follows: 1 point per dog defeated at the class level for placements 1-4; 1 additional point for each of Best in age division, Reserve in age division, Best Puppy and Best Junior in Futurity, Best Junior and Best Senior in Maturity; 2 additional points for Grand Prize Futurity and Grand Prize Maturity.

This award is made possible with the generosity of several of Gwen and Carissa's closest friends. The trophies, limited edition original prints by artist Leslie Hall, will be presented at the annual Health and Rescue Banquet, combining two of Gwen's favorite aspects of the National: the Futurity and the fundraiser.

Anyone wishing to make a donation to this annual award may contact Gabby Hanna.

Dawn Benton

The Atlanta Doberman Pinscher Club (ADPC) dedicated our 2022 Specialties to our president, the late Dawn Benton.

Her passing in March 2022 was a great loss to her family, to our club, which she served faithfully for 17 years, and to the fancy.

Dawn exemplified grace, perseverance, and generosity—sprinkled with cheer and humor. She was involved with Doberman Pinschers, Toy Fox Terriers, and Siberians, was a member of the Atlanta Kennel Club, and selflessly served on many ADPC committees.

She was an equestrienne, having competed in Hunter/Jumper events.

Her longtime passion for animals was reflected in her leadership and service in multiple dog clubs through the years, including serving as president of the ADPC for the past 10 years.

We have lost a true friend and leader, and we mourn her loss along with her family.

Marsha Moller

We lost a dear club member and friend in October. Marsha Moller passed away following a tragic car accident.

Her story is one of fierce independence, untamed spirit, and deep love. Marsha's love of animals was exceeded only by her love for her family.

We know Marsha from our club, with her beautiful Doberman, Ace. She was so proud of Ace after they won his Grand Championship together last year. She was there to help the club when needed; volunteering and cheering on her friends. She was supportive and much loved.

Marsha also supported the Susan B Komen foundation, walking in the 60-mile Komen three-day event.

We must also send prayers for her family: husband David, son, Eric and daughter and son in law, Jennifer and Oliver Press as well as grandchildren Carys and Zara.

Her loss is great, but we shall keep her in our hearts.

Evie Sullivan

We lost a great friend June 17, 2022 when Evie Sullivan passed away. Evelyn Elaine Sullivan passed away at 92 years of age at her home after a battle with kidney disease. Evie was preceded in death by her husband, William Earl Sullivan, and their infant son, but will be missed by many for her friendship, quick wit and charm.

Evie was proud of her 32 years of service at Indiana National Bank. What most of us know and remember Evie by was her commitment to the sport of dog shows and especially the Doberman Pinscher.

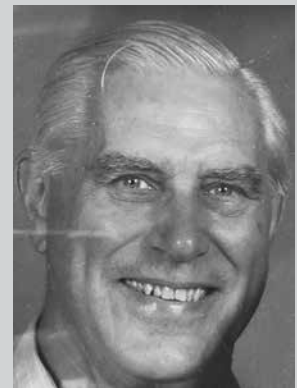

Evie was a 50-year "plus" member of the Doberman Pinscher Club of America and the Doberman Pinscher Club of Indiana. Serving on the Board for both clubs over the years. She was also a member of the Indianapolis Obedience Training Club. Though we knew her for her love of the Dobermans, she and Earl's first dogs were Boxers. Later she added Stella to the crew. Stella was a Welsh Pembroke Corgi that on occasion been known to bust loose and come looking for Evie while she was judging. Evie was an American Kennel Club conformation judge approved for Working, Herding, Sporting and Best in Show. Evie had co-bred Dobermans with her dear friend, Darla Dorr, over the years. Many wonderful dogs shared the Sullivan home, but Sloan, Ch Mi-Ti's Three to Get Ready CD THDA CGCA CGCU ROM, stole her heart in these past years. Evie and Sloan embarked on therapy work with hundreds of visits brightening patient's days. Evie was the picture of elegance and grace, dressed to the nines, devoted to serving others and bringing a smile wherever she went. I am sure she is up in Heaven on a par 4 and talking dogs! We miss you, Evie!

Stephen A. Picciuolo

Stephen A. D. Picciuolo (90 years of age) of Jacksonville, Florida passed away on Sunday, March 20, 2022, after an extended illness. Stephen graduated from Boston University with a master's degree, retired from the U.S. Navy as a Captain, and later taught in the public school system for 16 years. Captain Picciuolo gained many awards throughout his military career: Legion of Merit, Bronze Star, Meritorious Service Medal, Air Medal, Navy Commendation Medal. He had three Vietnam Attack Carrier Combat Tours flying the A-4 Skyhawk (over 2,000 hours in A-4 and 600 Carrier Landings). Stephen was Commanding Officer of Attack Squadron 45 at NAS Cecil Field.

Stephen became involved with purebred dogs in 1961 when he and his wife, Maryrose, a Life Member of the American Spaniel Club, became members of a Cocker Spaniel Specialty Club. He began to show in Obedience in 1986. Most recently, he actively trained and showed Cocker Spaniels, Dobermans, and Vizslas in Conformation, Obedience, and Rally. His love for training dogs and competing took him into the world of judging. He judged all Obedience and Rally Classes for the American Kennel Club, the Australian Shepherd Club of America, and the FCI (Federation Cynologique Internationale). Stephen was a well-known and loved judge for almost 30 years.

Stephen belonged to the Vizsla Club of America, Doberman Pinscher Club of America, The South Atlantic Cocker Spaniel Club of Jacksonville, and the K-9 Obedience Club of Jacksonville. He had been President of the K-9 Obedience Club of Jacksonville for 8 years and was past President of the South Atlantic Cocker Spaniel Club of Jacksonville. Stephen judged at the American Spaniel Club in 2015. He enjoyed teaching Basic and Advanced Classes for K-9 and conducting seminars. He will be missed.

RIP Great Lady

Gwen DeMilta - Alisaton Dobermans

April 11, 1956 - March 28, 2022

With the passing of Gwen DeMilta (Alisaton Dobermans) on Monday March 28th, many members have reached out asking how they can offer their condolences. The family would find comfort in donations being made to TAKE THE LEAD in Gwen's name.

Why TAKE THE LEAD?

TAKE THE LEAD is a foundation whose mission is to be there for everyone, to make a difference, to be a lifeline to the pure breed dog fancy, it is dog people helping dog people and TAKE THE LEAD stayed true to this mission with Gwen. She received the support and comfort she needed to the very end.

Gwen was passionate about TAKE THE LEAD throughout her career, supporting the foundation with generous donations because she understood she was part of a community much bigger than herself.

If you wish to provide support to the family of Gwen, please follow this link (<https://takethelead.org>) to donate in honor of her life.

Registered Handlers Newsletter

1st Quarter 2022

Remembering Gwen DeMilta

By Angela Lloyd

In March we lost one of the most purely devoted members of our dog family, Gwen DeMilta. Gwen was a prime example of what our Registered Handlers Program is about, always making the Dogs in her life her priority and exuding professionalism. While I could go on and on to share with you my own personal stories about the influence she casted upon my life, and countless others, I feel it best to share some of her own thoughts about her life in the sport in hopes it helps you know her a bit better.

A final message from Gwen:

Our breeds find us all in the most unique ways. My breed found me because I saw a girl walking her Doberman on our road as a kid. I turned to my parents and insisted we find out where she got that amazing dog. The girl became a lifelong friend and responsible for Alisaton Dobermans and my existence in this sport. You guys know her now as Nancy Martin. She moved onto hairy breeds and I found my first "calling" and a home for my heart in the breed of Doberman Pinchers. I decided right then what my life's work would be...

I was going to be a breeder and handler of Doberman Pinchers (and maybe a few other

SHORTHAIREED breeds). With the unwavering support of my mother Joann Satalino, Peggy Adamson and Carol Petruzzo in 1972 Alisaton Dobermans was born. Knowing in my heart there was no other career/life paths for me I convinced my parents to graduate a year early from high school to pursue my passion. One year later I won MY FIRST POINTS EVER at 1973 DPCA National Specialty from the bred by class with my first of three soulmates Ch. Alisaton Kinderwicke WAC. The next year Alisaton won our first DPCA Grand Prize Futurity with Kinder's sister Ch. Alisaton Intimate Miss. Kinder herself went on to produce fourteen champions and I still see her influence 50 years later in our breeding program.

I now share the Alisaton name with my daughter Carissa Shimpeno and in 2014 we won American Kennel Club breeders of the year together. Alisaton and our extended family of co breeders have produced over 220 champions. In 1994 and 2014 the Alisaton family won both best puppy and best junior in futurity and we have six

grand prize futurity winners, one DPCA National Specialty winner, one confirmation top 20 winner and three obedience top 20 winners. I have had the privilege of co-owning the first two triple champions with my life-long friend Dr. Merry Fitzgerald.

I started my career as professional handler at the age of 21 under the patient guidance and support of my dear friend Terry Hundt. In my 45 years as a handler I had the honor of piloting my second of three soulmates the 2001 #1 Working Dog #3 among all breeds, Ch. Deco's Hot Fudge V Legend "Edna May". I have shown five #1 dobermans, four DPCA confirmation Top 20 winners and won over 100 bests in show with a doberman at the end of my lead. In 2004 following the advice of my dear friend Doug Holloway I decided to branch out into other breeds. That led to three #1 German shorthaired pointers including three top twenty wins and one grand prize futurity. I have shown three #1 xolos including the record holding GCH. Bayshore's Giorgio Armani.

My last BIS was won at Somerset Hills KC in 2021 with my heart breed and my final dance partner GCH Sharjet's To Catch A Hero "Kent".

In 2018 Alisaton's story came full circle when my mother, Joanne Satalino, and I were awarded the DPCA Lifetime Achievement Award. Wearing my classic tie-dyed shirt and surrounded by my beautiful Alisaton family my life's work as a breeder was recognized in a way I never even dared to dream. This sport and specifically the Doberman breed has given me the truest gift... it has given my life's purpose but more then that it has given me friends that have become family and the gift of combining my family and my passion.

I would love for this passion to live on in all of you dear friends.

Resting in power,
Gwen DeMilta

2022 In Memoriam

Linda F. Hale

Linda Fay Bushnell Hebblewhite Hale passed on September 26, 2022 in Covington, WA. She was born March 30, 1948 in Portland, Oregon. She was adopted when she was 6 weeks old by Byron Oscar and Nellie Fay Bushnell joining one brother, Melvin who was 5 years old. Byron and Nellie adopted another son, Stanley, in 1953 who was one year younger than Linda. The five of them lived on Wagner Creek in Talent, Oregon until 1966. Linda attended all 12 years at Phoenix-Talent Schools and graduated from Phoenix High School in 1966. She lived in Ashland, Oregon until 1973 and worked and studied at Southern Oregon University. Shortly afterward her mother Nellie died in a tragic accident in 1974.

After marrying Bob Hebblewhite in 1973 she immediately moved to Pentwater, Michigan where she supported the raising of three stepsons: Jon, Tod, and Ted. Her desire to support the development of young people extended to hosting her nieces Amanda Schneider and Paige Turner each summer as well as other young women who lived with her while they finished their high school education. She said she learned a lot from every kid that lived with her.

While in Pentwater, she pursued a number of professional opportunities. She was an owner of Wishing Well Grocery and Deli General Store from the years of 1977 through 1996 which was known for fish bait, cold beer and exceptional deli sandwiches. She always shared the secret was the celery salt. She created a home for her father, Byron Bushnell, next door to the store so that he could sweep the walks and visit with the customers. Byron lived with Linda for 22 years until he passed in 2009. While in Pentwater she managed a very active Real Estate career and the marketing of Duna Vista Resorts community. She was actively involved as the Secretary of Pentwater Chamber of Commerce, Pentwater Yacht Club Membership Chairman, Duna Vista Resorts, Pentwater Homecoming Parade Chairman, and Fall Festival Sunset Run Co-chairman. She loved Pentwater and the beach. She considered herself a Michigander even when in October of 2000 she and Bob divorced and she relocated.

In June of 2001, she moved to the Seattle area to be closer to Mel so that he could continue to give her brotherly advice and share recipes with her sister-in-law Marilyn. Mel, unintentionally, introduced her to Larry Hale her heart-love. They were married in Longboat Key, Florida in February of 2004. Linda deeply cherished her time with Larry and his three kids: Jeff, Cynthia and Darin. As she said "Had we met in the 1970's when we were young, it wouldn't have been a good fit. As it was, to meet and marry in our early 50's was just so right. It's been a beautiful love story."

In the Seattle area, she became a funeral professional with Bonney-Watson Funeral Homes utilizing her compassion and planning ability to support final decisions of others.

Throughout her life Linda felt an attachment to Doberman Pinschers. She co-bred 5 AKC Champions and campaigned for three other Dobermans to earn their championships. She as a longtime member of Doberman Pinscher Club of America, and for eleven years was a seated Officer of Puget Sound Doberman Pinscher Club, serving as President, Vice President, and Secretary. She was Show Chairman for the Puget Sound Doberman Pinscher Club Specialties for 8 years. She loved being the Show Chairman of that annual Premier Event. Each year Linda would fill her mini-van with cages, blankets, chairs, food, and beverages heading to the event with a "let's do this."

Linda enjoyed sewing and cooking from-scratch meals and pies. The food was not an end in itself but as a way to share her love with others. She welcomed every individual who showed up at her door to the table and would often say how the large extended families of both Byron Bushnell and Nellie Faye Loos taught her how to feel loved and to love others. She put the legendary pickles, creamed peas, meatloaf on the table to show others how much she treasured her time with family and friends....the feeling is mutual.

I enjoyed my life. I don't think I'll have too much of a bucket list left when I die. I pretty much did what was important to me while I was here. At least I tried to get it all done. No regrets.

Pat Hastings

Remembering Pat Hastings

Family, friends and many in the sport of purebred dogs are mourning the passing of Pat Hastings.

Pat has been involved with dogs since 1959, in many ways, from owner handler, breeder, professional handler as well as an AKC judge. Pat was a teacher to so many dog fanciers through her seminars and award-winning books. Pat received the 2014 AKC Lifetime Achievement Award in Conformation.

We extend sincere condolences to Pat's family. She was a friend and mentor to so many in our sport. She will be missed by all who knew her.

DPCA WAE / ROM SECTION

2022 YEAR IN REVIEW REPORT OF THE WAE SECRETARY

During 2022 there were 18 Working Aptitude Evaluations held. A total of 302 dogs were evaluated, with 157 dogs passing resulting in an average passing rate of 52%. Eve Auch served as the evaluator for two evaluations, Pat Murphy for one evaluation, Mike Parker for three evaluations, Eric Peterson for five evaluations and John Schoeneman for seven evaluations. Set forth below are the details for the dogs attaining the Working Aptitude Certificate.

Details on dogs earning ROMs during 2022 are reported by the ROM Secretary.

The ROM Committee is currently in the process of reviewing its forms, evaluation materials and procedures with the goal of creating consistency among the evaluations and providing clear information to participants. As soon as updates are completed and approved by the Board of Directors, information on the DPCA website will be updated.

As the end of 2022, the ROM Committee welcomed new Chair, Jill Graves, and Co-Chair Julie Stade. They both bring a wealth of experience and are eager to work with the ROM Committee.

Respectfully submitted,

Melanie Luten
